

The Secrets Of A Secretary

by Debby Rawlings

Chapter One

Kathy Webb stopped on the top floor of the Bannister Building to inquire about the general offices.

A youth in a grey workshirt and pants hauled a container of trash.

Kathy batted her baby-blue eyes at the handsome youth.

"Where are the administrative offices?"

"You're in administration?" the boy said. "Wow, you're some looker."

He eyed the blonde woman's curvy body.

"I'm not in administration," Kathy said, flattered by the youth's appraisal. He was strong-looking, a strapping young man with broad shoulders and narrow hips. Hard work had developed his body, she thought, going queasy at the crotch. "I'm the new secretary."

"Really?"

"Just temporary," Kathy said. "But I want to make a good impression."

"You've already made a good impression on me," he said. "My name's Jack. I take care of the offices, I'm a handyman."

"I'll bet."

Kathy noticed the growing bulge at Jack's crotch. She angled a leg forward, causing her skirt to tighten around her sexy figure. Her mammoth tits strained in their bra as she jutted her chest forward, letting the boy know that she was a woman to be reckoned with.

"You'll go far, looking like that," Jack said.

Kathy liked his honesty. He was an immaculate young man, even dressed for maintenance work. A curl of brown hair swirled just over his right eye. When he smiled, his dark eyes sparkled. Kathy watched him intently, reflecting that his body was nearly perfect.

"Where do you take this stuff?" she said, gesturing toward the trash bag.

"The compactor room, right over there."

"Show me."

"Uh . . . sure." Jack led Kathy Webb to his work area. "I got one on every floor, it's my office. In a way, I'm more important than these executives 'cause they only got one office."

"I see."

Jack opened the door more.

"Come on in."

Jack reached for the light switch.

"Don't do that, I like it dark," Kathy said hotly, standing up close to the boy. He was an inch away from her, looking straight into her eyes. He could smell her perfume, feel the warmth of her body. Kathy, without blinking, took his hand in hers. "You're a very friendly fellow, I miss having friends, being new to the big city. You wanna be my friend?"

"Yeah, uh-huh." Jack nodded his head.

"You remind me of someone," Kathy said, her brow furrowing.

"Who?"

"My favorite movie star, a European guy, can't remember his name. He's so sexy, I always wanted to go down on him."

Jack gulped hard.

"He's terribly sexy and I've always wanted him, the same way I want you, right now."

"In here?"

"Lock the door."

Jack reached over and locked it.

They were in cramped quarters and Kathy drew herself closer.

"I like it in here, it's so crowded. It's nice to be in a crowded space if you're with the right person."

"Uh-huh," Jack mumbled, amazed by what was happening.

"What's this?" Kathy said, fumbling at his crotch.

She could feel his leaden cock through his pants. She unzipped his fly, staring him straight in the eyes. Kathy massaged Jack's huge cock. She took it in one hand and touched it deftly. Then she rubbed it carefully and began to stroke it in light, feathery flicks.

"Ooodoh, that feels so nice!" he panted.

Kathy's eyes widened as she realized how big Jack's cock was.

Jack saw that she wanted him. He brought one of his knees between hers. Kathy clamped both of her legs around his leg and began to slowly grind her cunt against him.

"Oh, I'm hot, Jack, I'm hot for you. Let's do something wild, let's have some fun, I want you to fuck me, stud. Fuck me hard, any way you want."

She unbuttoned her blouse and pulled it open, revealing her huge tits.

"Damn, ohhhh, shit!" Jack hissed.

He clamped his hands over her asscheeks and rubbed vigorously. Kathy melted up against him, keeping one hand tightly wrapped around his monster cock.

Jack moved away from her and quickly dropped his pants while she removed her constraining bra and let her huge tits flop about freely. Jack eyed the huge globes of tit flesh, hardly able to believe his eyes. He placed a tit in each of his hands and kissed each separately. As he kissed them, the nipples became little hard spikes. Jack stroked them gently.

Kathy fell to her knees and took his half-hard cock into her mouth, loosely draping her wet lips around it. She sucked gently, taking Jack's growing cock farther in with every slurp. "Ahhh yesss, eat it, ohhh!" he groaned. Kathy withdrew his cock and breathed hotly on it, keeping it moist with her warm mouth. Even partially erect, Jack's cock was incredibly large. She wanted to try it out.

"Mmmmm, I love your cock, Jack," she whispered. She licked the entire length of his cockmeat. "I'm going to drink your cum."

Kathy slurped Jack's prick deep into her throat, and slowly brought it out, allowing her tender throat to engulf the quivering cock.

"Arghhhh!" Jack moaned loudly and almost lost his balance. "Ooooh, you suck so good, damn yesss!"

"Yeah, I love your hard cock!" Kathy moaned. She licked the underneath side of Jack's huge cock and then took it back into her damp mouth. "Mmmmmm, good!"

Her mouth tightly ringed Jack's iron-hard cockshaft. Kathy slurped it in and out of her wet throat.

"Ahhhh, yeah, suck on it! Ooooh, shit, take it deep into your mouth, like that, ahhhh!" he shouted, twisting his head back and forth.

Kathy pistoned her face back and forth, stabbing Jack's flexed cock deep into her throat. Her lips ringed his throbbing prick, her cheeks bloated and collapsed with every fuck-thrust.

Jack was going wild. He arched his cock forward, bucking slightly with his hips. Kathy kept fucking her face with his big cock. Her throat enveloped his pulsing prick, slurping at it like a rubbery wet tunnel.

"Ughhhh, shit, my cock, ohhhh, wow!" Jack hissed.

Kathy sucked his cock hilt-deep and moved her face in a circle, allowing her throat muscles to tenderly rub against every sensitive square inch of the rigid cock planted into her face.

"Ohhhh, shit, arghhhhh, can't believe this is happening, ahhhh!" Jack shouted, his eyes wide.

He looked down at the sexy secretary eating his cock. His thick, veined prick was completely engulfed by her mouth and throat. He could feel her tight wet throat collapse around his cock and suck it gently. As Kathy moved her face around, causing her throat to rub against his cock, Jack felt the small room start to spin. His cock was on fire. His balls tensed. Kathy slowly nodded her head up and down as she withdrew Jack's cock from her mouth, letting her moist lips and rubbery throat muscles slide along his tender prick. "Goddamn, ohhhh, my cock, yesssss!" he groaned.

Kathy had his cock all the way out of her mouth. She rubbed it against her cheeks lovingly and kissed it. Then she touched it to one of her tits and looked up at the hot youth.

"Ever fucked a lady's tits before?"

"Uh, no."

"Wanna fuck mine?"

Kathy moved up closer to the turned-on boy and juttied out her prominent tits. She laid his strong, sturdy cock between her mammoth tits and allowed the smooth tit flesh to close loosely around Jack's prick.

"Ooooh, feels good," Jack said.

Kathy began to rub his hot cock against her tits. She also arched her back and moved herself back and forth, using her tits as a cushion in which to fuck Jack's cock.

"Ughhhh, yeah, ohhhh, fuck, this is great!"

he cried.

"Cum on my tits, I want you to splatter my chest, okay? Drip it everywhere, cum all over me!"

"All right!"

Kathy kept rubbing her tits around his bulging cock, jamming it between her tits, moving back and forth, faster and faster. She looked down at the purple, bloated head of Jack's fabulous cock. With every fuck-thrust, the head of his cock moved very close to her eager lips. She liked watching Jack's cock fuck into her tits and began to deftly nibble at the cock every time it came close to her. Her tongue barely touched the head of Jack's cock, causing him to spasm uncontrollably.

"Arghhhh, shit, what next? Ahhh, ohhh, my cock's in your tits, ughhhh!" he screamed, tensing his entire body.

Kathy kept slurping at Jack's cock as it wedged tightly between her tits, thrusting forward toward her face. She bucked very rapidly, keeping the

movements smooth. Jack's inflamed cock smashed through her tits and into her face. Kathy stuck the rubbery tip of her tongue into the piss-slit of Jack's cock every time it made a pass at her. Jack was going out of his mind with lust.

"Ooooh, I like it, ahhhh, yessss, my cock, ohhhhh!" he gurgled, churning his fuck rod into the sexy blonde's naked chest.

"Fuck 'em, fuck my tits! Come on, Jack! Yesss, cum on me, on my face! Cum all over my tits! I want it, I want it all, I'll drink it if I can, just keep fucking away!" Kathy said.

Jack hammered forward, jamming his prick into Kathy's fabulous tits. Her mammoth tits surrounded his throbbing cock. He lurched toward her chest, loving being ravaged by her tits.

"Ughhh, ahhh, yessss, ohhhh! Wow, my cock feel it-yessss, your tits, gonna cum, now, arghhhhh!" he moaned, thrusting himself forward and trying to keep his knees from buckling.

"Give it all to me!"

The end of Jack's pulsating prick bloated purplish-red as he groaned loudly. His swollen cockmeat exploded, gushing hot cream all over Kathy's chest. The eager blonde opened her mouth and lapped at the cock milk as fast as she could. But she could not get it all. The monster cock spewed geysers of jism at the horny secretary. Some of it flowed into her open mouth, but most of it splattered her huge tits and face.

Kathy licked the head of his cock and swallowed his fiery cum every time it smashed near her mouth as it passed between her tits. Her chest and some of her face looked like milk had been splashed on her. Kathy loved it. Jack's cock

fired its sizzling wads repeatedly. The gushing wads of furnace-hot cum shot toward Kathy, over and over. Jack was fucking her tits and shooting his jism into her mouth with some accuracy now. He kept pistoning forward, loosing the sizzling cum in shuddering heaves of his cock.

"Ohhhhh, eat my cock, yessss! Fucking your tits-ohhhhh!" he moaned.

"Cum all over me, yesss, love it!" Kathy shrieked.

Jack's cock blazed away.

"It's all yours, you earned it, ughhhh!" he cried.

"I'm drinking your hot cum, I want it in my mouth, all over my tits, keep cumming on my tits, fuck my tits and fuck my mouth, let me drink your hot cum!" she chortled.

"Ohhhh, ohhhh, yessss, cumming so hard, ughhhhhh!" Jack ranted.

He swooned and his cock kept swelling as it flashed white hot jets of cum which leaped from his cock and splashed all over Kathy. Much of it made it into her open mouth.

"Ohhh, yesss, love your cum, more, more!" Kathy groaned.

"Drink me, yessss!"

"Love it!" Kathy cried passionately as Jack shot bullet after bullet of warm sperm into her open mouth.

The sizzling loads of fuck cream splattered the insides of her mouth. Her cheeks bloated as she swallowed quickly, ravenously. Finally, Jack's cock spewed less and less, emptying itself. Kathy swallowed the last of his wonderful cum and kept his cock lodged between her tits. She licked the end of Jack's happy prick, lapping up the last few drops of jism which oozed out of it. Her face and her tits had been squirted on quite a lot. Kathy did not care. She could wipe it off.

"Boy, that was good, I was so thirsty!" She licked the steaming cock until all of the juice was gone. "Anything left in this thing?"

She held it tightly and waved it around, like a prized possession.

"Yes."

"I can't undress completely, but we can still fuck. Want to try another hole?"

Chapter Two

Kathy Webb stood and drew her skirt above her hips. She turned her back to Jack and bent at the waist.

"Go to it, stud."

Jack could not believe his incredible luck. He stared down at the flimsy bikini panties housing Kathy's luscious asscheeks. He could see through the thin

fabric. Her asscheeks were soft and perfectly shaped. Jack grabbed her assflesh with both hands. He squeezed her luscious ass and rubbed himself up against it. His hot cock was flexed hard all over again. The sight of Kathy's naked thighs and gorgeous ass was enough to turn any man on.

"Oooh, you look so good." Jack's eyes riveted on Kathy's ass and thighs. Her tapered legs were sexy. She wore hose and garters beneath her skirt.

"Take my panties off, Jack. I've got something for you," she said hotly. "I want your cock, stick it in my wet cunt, hurry!"

Jack slipped his thumbs over the elastic waist of Kathy's bikini panties and lowered them slowly, all the while watching her sexy ass wiggle. He brought the panties past the luscious crack of her ass and dropped them to her knees. He stared wide-eyed at her asscheeks and began to rub his cum-leaking cockhead against her ass, "Ohhh, that feels good!" Kathy cooed.

Jack rubbed his cock up and down her asscrack, wedging it in between her asscheeks. Her humid asscrack was soft and rubbery. She had the most wonderful ass he'd ever seen.

Kathy reached back with both hands and grasped hold of her smooth asscheeks. She parted her ass for Jack to get a good look in- side. The lusty youth stared slack-jawed at Kathy's open assflesh. Her tiny, puckered ring of an asshole winked up at him, as if on cue. Her crinkled shit socket was small and aromatic. Jack looked lower, at the hairy mound which surrounded her cunt. He could not see her cunt well so he placed his hand up next to her pussy and wedged it apart with two fingers.

"Ohhh, yesss, feel my cunt, it's wet for you, so hurry up and stuff that cock in!"

Jack parted the lips of Kathy's wet pussy. Her cunt flesh felt slick to the touch. He stared down into the open mouth of Kathy's fuckhole, practically drooling.

Kathy gyrated her ass up against the horny boy. His fingers slurped into her wet pussy. He twisted his fingers around inside her warm cunt, feeling how wet and rubbery she was.

Jack rubbed his fingers around the circumference of Kathy's undulating fuckhole. Then he withdrew his fingers and began to press them against the knobby, hard surface of her clit.

"Ahhh, ohhh, shit, yeah!,, Kathy writhed up against him, jamming his fingers even harder against her cunt flesh. "Fuck me with your hot cock, now! Stick it in my pussy, drive it hilt deep! My cunt's tight and I want your cock! Cum in me, fill my cunt like you did my mouth! I want your hot cum!"

Jack pulled his fingers out of her pussy. He hefted his leaden prick into the air and pressed it against Kathy's boiling fuckhole.

She gasped as she felt the pressure of Jack's mighty cock pressing against her pussy.

"Yesssss, oh God, yesssss, fuck my pussy!" she cried with anticipation.

He lanced her buttery cunt with the head of his cock, wedging it between her thick pussy lips. He rammed the head of his cock into Kathy's slick cunt, then withdrew it.

"Arghhhh, shit, dammit, do it!" Kathy squealed with impatience.

She wriggled her ass up against Jack. He could feel her smooth, soft asscheeks against his thighs.

He rubbed the length of his sturdy prick up the crack of her ass. His cock still dripped a little cum. He pressed the head of his cock against her tiny ass ring and a drop of jism leaked onto it.

"I like this hole," he said.

Kath stiffened, and breathed hotly, feeling Jack's cock wedged against her asshole.

"Ohhhh, yesssss!"

Jack took his index finger and lubricated Kathy's tight ass opening with his pearly drop of jism. Kathy's shithole expanded to accept his finger and became very wet inside as he probed it. Her tiny shit socket crinkled tightly around his invading finger. Her ass gripped his finger tightly. "Damn, what a grip, can't wait to try my cock!" he exclaimed.

"Oh, God, my hole, my asshole, fuck my burning hole, take your pick and do it, cum in me, cum all over me, hurry!" she pleaded, grinding herself against Jack's throbbing cock. As Kathy reared back, she forced Jack's violating finger deeper into her tender bowels.

Jack withdrew his finger and sniffed it. Then he placed the head of his bloated cock against her ass and squirted more of the moist residue of his cum into the pink bud of her asshole. He wanted Kathy to be lubricated good. Then he put another finger up her ass and glided it in to the first knuckle.

Kathy shuddered with passion.

"Fuck me, dammit, fuck my holes hard! Shoot your boiling cum in me, fuck my holes!"

Jack placed his cock in the opening of her cunt.

"Yesssss!" she screamed. "That's it, do it!"

Jack drove his massive cock into her boiling fuckhole, fingering her asshole at the same time.

"Arghhhh, shit, ohhhh, yesssss!" Kathy screamed.

Jack drove his index finger all the way up her asshole. He smashed his hot cock hilt-deep into her cunt. He fucked both holes at the same time, angling in and out rhythmically. Kathy went berserk.

"Ughhhh, my shitter, my cunt, aghhhh, my holes, on fire, arghhhhh!" she groaned, pushing her ass up against the youth fucking her from behind.

Kathy moaned. She reached behind herself and grabbed for his hips, trying to pull him deep into her. His cock flared in and out of her cunt. His finger shot in and out of her tiny asshole. She loved having her cunt and ass stuffed at the same time.

"Yesssss, ughhhh, tight pussy, ohhhh, my cock's on fire!" Jack moaned.

He pumped furiously, slapping his stomach against Kathy's ass. His cock jammed into her undulating fuckhole, surging deep into her churning cunt. Jack's finger gyrated inside Kathy's ass, stretching her shitter walls out of shape.

Kathy cooed delightedly, skewering her ass onto Jack's invading finger. She wedged her wet cunt against his rampaging cock.

Jack hammered away at the hot secretary, shoving his throbbing cock mass hilt-deep into her rubbery slick cunt. His finger wiggled inside her tight ass ring.

"Fuck me deep, grind your cock into my cunt and twist your finger around inside of my ass, yeah, do it, ohhhh, yesssss!" Kathy gurgled, shaking her head back and forth.

She was able to grasp the sides of Jack's pistoning pelvis. She pulled him into her violently, relentlessly. She screamed and groaned as he fucked her, keeping both of her holes filled. Kathy's teeth rattled every time Jack bucked into her. She shivered all over, feeling both of her holes filled to capacity.

Jack drove his burning prick deep into Kathy's hot pussy. He could feel her cunt walls collapse around his surging cock. He slammed his thighs against hers, straining to get his cock as deep as he could. With every savage thrust, he felt the deep cavern of her sioshy cunt engulf his mighty cock. Her wet holes gripped his cock and his invading finger tightly. He probed his finger deeper into her constricting shithole. Kathy squealed with delight, feeling her ass invaded even more. Her ass muscles tightened around Jack's pistoning finger. He twisted it around inside her undulating shitter, driving her wild.

Jack could feel her swampy cunt envelop his cock. Her pussy contracted as

she yelped with passion. Her tight asshole convulsed around his finger. He had his finger wedged completely up her ass.

Jack hammered himself into Kathy's ass and cunt. Her tits bounced as he fucked her from behind.

"Do it/ream my ass and my cunt, now! Pour the cum in me, soak my pussy, fuck my holes, shoot that hot cum deep, ahhhhh!"

"Love fucking your holes," Jack said. "Ohhhh, take my stiff cock, all the way, ohhhh, your ass is so tight, ughhhh, damn!"

Kathy drove her ass back onto Jack's stiff cock, shoving her ass onto his cock and his invading finger. Her ass and cunt were filled completely. Jack's cock impaled her buttery pussy and his finger slid in and out of her tight asshole.

Jack's fuck mass swelled suddenly, on the verge of coming.

"Do it, cum in me, soak my pussy, yessss, ohhhh, cum!" she cried.

Jack lurched forward, burying his hot cock all the way. It exploded, spewing the first spurt of lava-like cum into her buttery cunt. The hot pellets of jism quickly filled Kathy's undulating pussy. "Ughhhh, I feel it, cumming in me, ahhhhh!,, she screamed.

Jack shoved another finger up Kathy's ass to drive her further over the edge of fuck madness. He screwed the fingers deep into her constricting shithole, fucking her in the ass and in the cunt at the same time.

"Arghhhh, shit, ohhhh, cumming in me, my ass so filled, ahhhhh!" the blonde secretary moaned.

She shook all over, gritting her teeth and jerking herself back against Jack's body. She took both fingers up her ass and wiggled herself down onto his invading cock. Jack drove his prick up into her tight pussy, spewing squirt after squirt of warm jism. His cum bounced off the walls of her lathered cunt, causing Kathy to arch and tense as the volleys of hot steaming cum splashed into her writhing pussy.

"Arghhhhh, my pussy, my ass, yesssss!" Kathy lost all control.

"Take it, ahhhh, love your cunt and ass, ooooh!" Jack howled loudly.

He held onto her ass tightly, worming his throbbing cock into the cum-soaked walls of her cunt. His taut prick blasted her undulating pussy. Kathy's convulsing pussy gripped his cock and her constricting ass engulfed his fingers. Jack wedged himself even deeper into her tight holes.

Kathy finally fell forward, weak from the intensity of the double-fucking taking place. Her asshole and pussy were raw. She was still coming and groaning loudly. She wiggled her ass back onto the poles invading her, jamming her cunt onto Jack's cock and twisting her ass onto his fingers. Both holes were impaled deeply. Kathy's cunt was drenched with cum. Jack's prick gushed its boiling jism deep into her slippery fuck guts.

Jack hissed loudly, fucking her in a series of lightning-fast bucks. His cock still surged, spewing cum.

Kathy screamed, trying to catch her breath. She'd eaten his cock; now she'd had it jammed up her pussy. She shuddered over and over, out of control.

Jack hunched over her, fucking maniacally. His fingers stayed wedged in her ass and his cock stayed jammed in her cunt.

They stayed leaning into each other. Jack's cock sloshed around inside Kathy's wet cunt. As she ground her ass against him, Jack rotated his cock inside her cunt, and gyrated his fingers inside of her ass. His spewing cock gushed its remaining loads of cum, splattering her rubbery inner cunt walls. Kathy's cunt was filled with Jack's jism. Her asshole gripped his fingers. Jack twisted his fingers inside of her ass. Kathy squealed with delight.

"That was fun," Kathy whispered, pulling herself free from Jack's rigid cock and stiff fingers. Her asshole slurped free of his fingers and her cunt pulled free of his cock.

"Oh, that was great, but you've got to report to work," Jack said. "I don't want you to get into trouble just because we had a good time in the broom closet."

"You're right," Kathy said, smoothing out her skirt and drawing her panties up. "That was great, let's do it again, I can still feel your warm cum inside my pussy. Ohhhh, what a thrill."

"Thanks."

Kathy fastened her bra and buttoned her blouse.

"By the way, where's the administration office? I need to locate Mr. Bannister's office."""

"Wow, the head honcho!" Jack said. "It's at the end of the hall, on the right. He's a tough guy to work for, but you're a swell gal. I think you'll go far."

"I appreciate that," Kathy said, his warm cum still oozing out of her cunt. "See you later."

Chapter Three

Betty Johnson sipped coffee and looked up at the woman who strolled into the office.

"Can I help you?"

"I'm Kathy Webb," the perky blonde said. "I'm the temporary secretary that's been hired for Mr. Bannister."

Betty Johnson sat back confidently in her chair and eyed the young woman closely. Betty was dark-haired and very svelte. She wore bright clothes and had an air of sophistication and confidence which made her worldly and successful.

She was also beautiful.

"I'm Betty Johnson."

"I am in the right place, aren't I?" Kathy asked.

"Yes, you are, but are you the right person for the job?" Betty said, licking her

ruby-red lips. She rose from behind the desk and approached Kathy. "This is a very important company. Are you willing to give your all-to go above and beyond the call of duty, if need be?"

"I-I think so."

"Follow me, please," Betty said.

The two sexy women entered a side office. Betty turned on the lights. A big couch and a huge window facing the western sky was all that the room contained.

"You look very tense," Betty said.

"I am, a little," Kathy said.

"Here, let me massage your shoulders. You need to be relaxed when you deal with the public, and especially when you meet Mr. Bannister. Come here."

Kathy walked over to the gorgeous secretary and turned her back to her.

"Right here, just about here is where the kinks are," Betty said, gently rubbing Kathy's tensed shoulders. "How's that feel?"

"Oh, so good, it feels so good."

"I think we'll get along rather well," Betty said, eyeing Kathy's shapely figure

from behind.

The youthful secretary was very sexy. Betty continued rubbing Kathy's shoulders in smooth motions. Kathy was becoming very relaxed.

"Why don't you remove your blouse so I can get at your skin? The fabric's restricting my massage movements."

"Are you sure it's okay? Maybe someone will walk in."

"I'll lock the door, you take off your blouse," Betty said, locking the door.

Kathy removed her blouse for the second time that day.

"Bra, too."

Kathy removed her bra. Her huge tits sprang free, jiggling up and down, round and smooth and incredibly large. Betty eyed the monstrous tits enviously.

"Mine aren't quite that big," the dark-haired secretary said.

"They look pretty big to me."

"Here, I'll show you," Betty said, stripping off her top. Her big tits bounced as she moved them out of her bra. "See, I told you."

"Let me feel, that way I can tell."

Betty stepped up to Kathy and jutted her chest out, giving the blue-eyed blonde access to her globular tit flesh.

"Ooooh, those are nice tits," Kathy said, deftly touching one of Betty's creamy smooth tits. Kathy stroked the tit carefully, then looked closer at it. "Your nipples are hard."

"Uh, yes, guess so. Gee, you have a nice touch, would you keep doing that?" Betty said, looking longingly into Kathy's blue eyes.

Kathy began to gently rub Betty's beautiful tits. The huge balls of tit flesh were soft to the touch. Kathy lightly pinched Betty's nipples one at a time. She used two fingers to twist the nipples deftly, and then she began to rub Betty's tit flesh, causing the dark-haired woman to moan.

"Ohhh, that's so nice, keep doing it, yesssss!" Betty sighed, feeling her cunt become wetter. "Oh, yesssss!"

Kathy kept playing with the dark-haired secretary's tits.

Betty checked out Kathy's body, deciding that the young blonde was incredibly sexy. She moved closer to Kathy and felt a surge of passion shoot up through her. She watched Kathy's naked upper body move rhythmically as she rubbed Betty's beautiful tits. Kathy's cunt was moist, too.

"Ooooh, that feels so good, let me touch your tits, dear. It relaxed me, maybe it would do the same for you," Betty said.

"Think so?"

"Most definitely."

Kathy stepped up to Betty. Their tits almost touched. Betty took Kitty's tits in the palms of both hands and began to rub herself against the pretty blonde's tits.

Kathy sighed deeply, surprised at how good it felt and how hot it was making her. Betty flicked Kathy's hard nipples, taking the erect points between her fingers and tugging at them.

Betty moved her hands to Kathy's shoulders, stroking the pretty temporary secretary softly. She rubbed her shoulders and the area between her tits and placed her arms around the girl, rubbing her back. She drew Kathy's body to hers and kissed her on the open mouth wetly. Their lips parted; their mouths touched lightly at first, as if experimenting. Then Kathy allowed herself to be kissed full on the lips, hard. Betty's tongue sought out Kathy's, and the two were locked in a tight embrace, their tits pressed together, their mouths locked, their arms wrapped around each other. Both women sighed deeply but did not release themselves from the passionate kiss. The room was spinning. Time had stopped. Both of them began to grind their cunts against each other, dry-humping in a vertical position.

"Ooooh, Kathy," Betty whispered hotly, removing her mouth from the sexy blonde's for a brief moment. "Take your clothes off now, right now." "Only if you do," Kathy said. Betty unsnapped her skirt and slid it quickly down her sexy hips. She was wearing skimpy pink panties which she slid over her gorgeous hips and down her thighs, barely bending at the waist. Kathy saw the dark-haired woman's triangle of pubic hair. Betty's legs were muscular, shapely, tapered limbs that would be the pride of any beauty contestant.

Kathy unfastened her skirt and dropped it to the floor. She stepped out of her skirt and slowly lowered her bikini panties over her hips and down her asscheeks. She dropped them completely when they reached her knees, and stepped out of them, standing with her legs a foot apart, her tapered limbs strong-looking and healthy. Both women were beauties, perfectly built and proportioned.

"You've got such a beautiful body, Kathy," Betty said.

"So do you."

"Turn around. You're a goddess."

Kathy held her arms up and turned around for Betty to see her. Her tits lifted as she lifted her arms. As she turned her back to Betty, Betty whistled briefly. Betty watched her curvy ass, which resembled an upside-down heart. As Kathy kept turning a full circle, to face Betty, the dark-haired secretary saw the light bushy hairs covering the natural blonde's cunt. Both women wore garter belts and hose.

"You've got a superb physique, my dear," Betty said. "May I touch?"

"Sure." Kathy moved closer.

Betty touched her ass and noticed how firm the blonde's asscheeks were. She rubbed Kathy's lower back and moved her hands up slowly.

"Why don't you lie down on the couch so I can give you a proper massage?" Betty suggested, not able to take her eyes off the gorgeous, naked blonde

before her.

"Gladly," Kathy said. Her cunt was moist inside. She was hot. She walked to the couch and lay down on her stomach.

Betty massaged Kathy's lower back, moving her hands lower and lower, over the dimples where Kathy's hips swelled out. Betty moved her hands toward Kathy's asscheeks as she rubbed. She massaged the flanks of the blonde's soft hips. With every stroke, Kathy's plump ass parted, revealing her asscrack until the dark outline of her small, crinkled asshole could be seen. Betty palmed the cheeks of Kathy's luscious ass and wedged it open, staring at the pretty blonde's open asshole. Beneath Kathy's tight little shithole, Betty saw the furry shape of the temporary secretary's cunt. The hair-ringed fuckhole gaped open slightly.

Betty licked her lips appreciatively, with anticipation, and began to caress Kathy's smooth ass, spreading the blonde's asscheeks wider. The puckered ring of Kathy's tiny asshole expanded.

The hot crack of Kathy's ass looked inviting, and the blonde's cunt was a red slit. Every smooth touch of Betty's experienced hands brought a quick gasp of air from Kathy. Kathy's moist fuckhole trembled. The hot blonde wanted the dark-haired secretary to stick a finger up her ass, or into her cunt.

"Ooooh, you've got such a nice touch," Kathy sighed.

"You're a very sexy woman," Betty said. She kneaded the muscles in Kathy's thighs, moving away from the horny blonde's hot assflesh.

Kathy sighed loudly as Betty rubbed her inner thigh flesh, getting close to her undulating pussy. It was heavenly. Betty's hands were scant inches from Kathy's seething fuckhole. Her shimmering pussy glistened. Kathy spread her legs a little

wider for comfort, and for access.

Betty rubbed Kathy's smooth, inner thighs and got closer to the blonde's wet pussy. The moment one of Betty's probing fingers touched the lathered lining of Kathy's moist fuckhole, the hot blonde shivered, moaning deliriously.

Betty ran her fingers around the opening of Kathy's wet slit.

"Arghhhhhh, shit, yessss!" Kathy moaned, arching up on the couch. She spread her legs wider.

Betty dipped a finger into Kathy's hot wet pussy. Her cunt was moist and gooey.

"Yesss, ughhh, my cunt, ohhh, yesssss, do whatever you want, I love it, stick your hand in my pussy, arghhhhhhhh!" Kathy begged, twisting her head back and forth.

"Deeper, huh?" Betty said as she penetrated farther into the writhing blonde's surging pussy.

Betty wedged an index finger up Kathy's spasming cunt. Betty gyrated her finger into Kathy's churning pussy. The slick finger probed deeper and deeper. Using another finger, Betty stimulated Kathy's erect clit.

Kathy quivered with passion. She shivered erratically with every thrust of Betty's index finger. Every rubbing movement against her tiny clit by Betty's expert finger made the sexy blonde hotter.

"Ahhhh, my cunt's on fire, oooh, shit, do it to me, finger-fuck me, yesss, aghhhhhh, ohhhhhh!" Kathy stammered, out of control.

She twisted and turned on the couch, convulsing over and over. Her cunt muscles flexed tightly around Betty's invading finger. Her clit spasmed, her whole body shivered with lust.

The dark-haired secretary began to twist her finger around inside Kathy's undulating cunt.

Kathy's pussy spasmed tightly around Betty's finger. Betty slid her finger in and out of Kathy's spasming fuckhole faster and faster. She distended the inner walls of Kathy's churning pussy as she finger-fucked the new secretary, causing her to jerk wildly on the couch. Betty's hand was wet from Kathy's pussy juice. The hot blonde seeped cunt oil.

"Fuck me deeper, stab deeper with your finger!" Kathy begged, writhing uncontrollably. "Fuck me, ahhhh, fuck me, jam my cunt with your finger, uhhhhh!"

Betty spread Kathy's tensed asscheeks wider apart and planted her finger deeper into the horny blonde's surging cunt. She pumped her finger in and out, lightly flicking Kathy's rigid clit at the same time.

Kathy writhed and jerked and breathed in gasps, her whole body tensing and untensing as if it was beyond her control to coordinate her movements. Kathy thrashed about on the couch, being fucked in the cunt by Betty's able finger. Kathy ground her ass up against Betty's capable hand, getting the dark-haired woman's finger buried as deep in her surging cunt as she could.

"Ughhhh, shit, yesss, I want more, fuck my hole, stick it up my cunt, ahhh, yesss!" Kathy yelped.

She tore at the couch covering, gnashing her teeth and spasming repeatedly. Betty's hand was completely lathered with Kathy's fuck juice, which oozed out of her open cunt.

Betty fucked Kathy with her hand, pistoning her index finger in and out of the hot blonde's flexing fuckhole. She explored Kathy's steaming pussy as she stroked her finger in and out. She massaged the inner lining of Kathy's churning cunt, driving the luscious blonde over the brink.

Kathy went wild. She hissed and panted hysterically, grinding her ass up against Betty's pistoning hand. She gave frantic spasms of pleasure, crying loudly, begging for more.

Kathy screamed. She clenched her eyes shut and gritted her teeth. She was insane with lust. She pounded her fists into the couch, writhing on the cushion. She pushed her ass up as hard as she could, striving for every inch of Betty's invading finger. Her crotch was drenched with pussy juice.

"Yesssss, ohhhh, God, yesssss, shit! Fuck my cunt more! I want more, fuck me more!" Kathy pleaded.

Betty smiled mischievously and reached to the side of the couch for the heavy-duty flashlight which was left there for electrical emergencies. Gripping the huge flashlight in one hand, Betty split Kathy's surging cunt open wider.

"Oh . . . what are you ... doing?" Kathy asked.

"You'll see," Betty said, inserting the blunt end of the foot-long flashlight into the open-ringed mouth of Kathy's cunt.

Kathy screamed at the top of her lungs. She pumped her pussy up and down on the couch, writhing and moaning incoherently. Betty reamed Kathy's tight wet fuckhole with the huge flashlight, splitting the hot blonde's cunt open with it. She inserted the flashlight farther, uisteu&ug, Kathy's sutgiag pussy. The lusty blonde's cunt enveloped the flashlight.

Kathy's cunt mouth tightly ringed the metallic object being wedged up her cunt. Betty rammed the huge object farther in, twisting it around as she did so. This tore at Kathy's cunt, stretching it more.

Kathy writhed on the couch, shivering all over. Her cunt was so completely filled that she thought it would split wide open. Betty began to slide the flashlight in and out, fucking the hot blonde in smooth, even strokes.

"Ooooh, shit, my cunt, arghhhh, fuck me, yesss, ughhhhh!" Kathy shouted, banging her head into the cushion, and slamming her fists into the couch.

Betty pumped the flashlight in and out, faster and faster. Kathy's quivering fuck hole was filled to capacity. She could feel the tip of the flashlight almost into her stomach.

Betty battered Kathy's helpless cum hole, smashing the huge flashlight in and out like a big cock monster. She could feel Kathy's guts engulf the metal flashlight tightly and rub raw against the violent penetration.

Betty jack-hammered away with the flashlight, savagely fucking the thrashing blonde mercilessly. She pistoned the large appliance in quick, lightning-quick strokes that left the lusty blonde breathless on the couch.

"Arghhhh, my pussy, on fire, cumming now! So hard, cumming, arghhhh, shit,

my cunt, yesss, ughhhhh!" Kathy squealed, rearing up, shoving her ass against Betty's rampaging hand.

The flashlight bored all the way in. Betty kept a firm grip on the flashlight and hammered away at Kathy's swampy fuckhole. She could feel the walls of Kathy's cunt convulse around the flashlight as Kathy came hard, over and over and over. Kathy writhed on the couch, gritting her teeth, shaking her head, pounding her fists. Betty pounded away, ramming the flashlight in and out in quick, sturdy strokes.

"Ughhh, shit, yess, tearing up my cunt, love it, never had it like this-arghhhh, goddamn, ughhhh, ooooooh!" Kathy moaned deliriously.

Betty speared Kathy's tight fuckhole with the monstrous flashlight, shredding the horny blonde's dilating pussy. She twisted the flashlight around inside Kathy's undulating fuck hole, driving the shivering blonde nuts.

"Ohhhhh, fuck, yessss, arghhhhhh, my cunt, ohhhhhhhh!" she cried.

Betty plunged away, heaving the flashlight in and out of Kathy's dilating cum hole.

Kathy came over and over, gripping the edge of the couch, gnashing her teeth, crying helplessly, loving having her cunt reamed with the huge flashlight. It blasted in and out of her hot cunt, smashing against her fuck walls, penetrating the furthest recesses of her cunt.

Kathy could not believe what was happening. Her incredible orgasm seemed to last forever. The spastic shivers of delight which came from her cunt and spread through her body were earth-shaking, tooth-rattling. She came and came and came, her whole body was drenched in sweat. Her muscles tired of

spsming. She tensed and untensed, over and over. Finally, after what seemed like an eternity, her cunt collapsed around the huge flashlight, ringing it with a wall of rubbery pussy flesh. Betty left the appliance wedged inside Kathy's surging fuckhole.

"How was that?"

"Incredible," Kathy moaned, trying to come back to her senses. "You get that flashlight out of my pussy, and I'll treat you to a good time, too."

Betty pulled the huge flashlight out of Kathy's cunt. The flashlight did not come out easily. It slurped out, making a loud noise. Kathy groaned as it was removed; she liked having her cunt stuffed with inanimate objects. But it was worth it to take a turn at Betty's cunt. She owed the dark-haired woman, and wanted to pay her back in spades.

Chapter Four

"Turn over," Betty said to the sex-ravished blonde. "You can have some fun with me, but I'm not through with you."

Kathy turned over on the couch, her cunt dripping with pussy juice. Lying on her back, Kathy's swelled tit flesh jutted up prominently, the tips of her nipples aiming themselves straight at the ceiling.

"What do you have in mind?"

"Fun for both of us," Betty said, turning herself toward Kathy's legs and mounting the hot blonde, upside down, sixty-nine style.

Betty spread her legs over Kathy's head, placing her cunt against the temporary secretary's face. As she lay on top of Kathy, she spread Kathy's legs open more so that she could have access to Kathy's undulating pussy.

"We'll eat each other, okay?"

"Okay," said Kathy enthusiastically, staring wide-eyed at Betty's parted cunt lips.

Betty's dark cunt hair surrounded the gorgeous woman's open cunt. Her fuckhole was wide open. Her shimmering cunt lips parted like doors to a dark cave of pleasure. Kathy stared up at Betty's open cunt and the narrow trench line which split her asscheeks to reveal Betty's asshole. Both holes were inches from Kathy's face. Kathy licked her lips. She was going to eat Betty like Betty had never been eaten before.

Betty, lying spread-eagled on top of the sensuous blonde, used two fingers to part Kathy's shiny cunt lips. Kathy's bubbly fuckhole was ready for more action. The turgid red cunt mouth of Kathy's pussy was wet and inviting. Betty placed her mouth over Kathy's pussy mouth and sucked briefly, causing Kathy's surging cunt to spasm.

"Ughhh, ohhhhh, my pussy, your mouth is so wet, yessss!" Kathy moaned, twisting her head back and forth.

Betty sucked Kathy's pussy, then, keeping her lips ringed around the blonde's churning fuckhole, stabbed her slithering, wet tongue into the pussy, knifing it deep and gyrating it around. Kathy screamed loudly, feeling Betty jam her tongue deep into her bubbly pussy. Betty licked Kathy's fuckhole walls, causing sensuous spasms of pleasure to shoot through Kathy's tensed body.

"Ohhh, my cunt, shit, yessss! You sure know how to eat!" Kathy called out. "I'm so hot, yesss, oh, fuck yessssss!"

Kathy raised her head to Betty's open ass and jammed her cheeks against the dark-haired woman's asscheeks. She plunged her tongue all the way into Betty's tight fuckhole and stuck her nose into the crinkled bud of Betty's hot ass. Both holes were wedged tightly.

Betty raised her head from Kathy's cunt and reached for the flashlight. She stuck the tip of the flashlight back into Kathy's hot fuckhole, jerking rhythmically as she worked it in.

Kathy quivered as her cunt was split open and her inner fuck walls surrounded the mammoth piece of metal being shoved into her. Excited, she fuck-pumped her face in and out of Betty's open ass. Kathy slurped her tongue inside Betty's hot cunt, nibbling at Betty's clit as she pistoned her head around.

Betty reamed Kathy's fuckhole with the flashlight, twisting it as she jammed it farther in. Kathy was going crazy, beneath her. Betty could feel Kathy's hips arch as the flashlight invaded her cunt. Kathy's pussy walls engulfed the large prick-substitute. Betty pushed it in more and more. She withdrew it slightly as she went, then wedged it farther in, playing with it like a huge cock taking its time in fucking Kathy's pussy.

"Ohhhh, my cunt, yessss!" Kathy stammered, slurping her lips around Betty's pussy.

She withdrew her nose from the dark-haired secretary's ass and used a finger to probe her tiny shithole. Kathy pressed an index finger against the flexed, wrinkled opening of Betty's ass. She probed the ring deftly, causing Betty to

shiver as she wiggled the finger harder against the puckered asshole.

Kathy rubbed Betty's crinkled shithole harder and harder. Then she pressed straight inward, forcing the ass ring to expand and accommodate her probing finger. Betty's tight asshole engulfed the tip of Kathy's index finger, then collapsed tightly around it.

Betty tensed all over and held herself rigid for a moment, feeling Kathy's finger work its way just inside the opening of her asshole. It was a pleasant, sensuous violation. Her small asshole was filled fully. She could feel her ass ring flex around Kathy's finger and not be able to close completely. It was thrilling.

"Ooooh, my ass, shit, ohhhh, God, yesssss!" Betty howled, lifting her head and shaking it lustfully in a fit of passion.

She kept working the flashlight farther into Kathy's contracting pussy, rotating it as she penetrated farther and farther. The inner fuck walls of Kathy's cunt sucked at the huge appliance being forced into it. Betty licked at Kathy's knobby clit as she fucked the flashlight deeper into Kathy's surging cunt.

The hot blonde arched her back and clamped both hands over Betty's naked assflesh, pulling Betty's ass open more so that she could stab her tongue deeper into Betty's fuckhole. Kathy inserted her finger in Betty's asshole to the first knuckle, wiggling it slightly as she probed Betty's tight shitter. Betty's ass pulsed with passion, loving the invasion taking place.

Both women ground their cunts against the other's face. Betty was on top of Kathy, licking the hot blonde's clit, and driving the huge flashlight farther and farther into Kathy's trembling fuckhole. Kathy, lying spread-eagled beneath Betty, shivered violently, feeling the flashlight inside of her cunt, and Betty's slick tongue rubbing against her clit. Kathy plunged her tongue deeper into Betty's open fuckhole and gyrated it around inside the rubbery slick walls, causing

Betty's cunt to convulse erratically. Kathy wiggled her finger inside of Betty's tight asshole, stretching Betty's inner ass walls and causing the dark-haired beauty to shriek hysterically, overcome by the thrill of being violated in both holes. The two of them were locked together, head to crotch, one on top of the other, their faces between the other's legs.

"Argghhh, my ass, my cunt, yesssss!" Betty cried.

"Ooooooh, God, my pussy, ohhhhh, fuck me, ughhhh!" Kathy screamed.

She tongued Betty's dark-red cunt, slurping at the juices which flowed from Betty's surging fuckhole. Betty's pouting red cunt lips split wide open to accommodate Kathy's face. Kathy could feel Betty's pussy quake with satisfaction as the turned-on blonde continued eating Betty's pussy and probing Betty's tiny asshole with her finger.

Betty wailed, crying tears of lust. She arched her cunt against Kathy's face, spasming violently, out of control. Then she licked Kathy's hard clit with her moist tongue, stroking it deftly, causing Kathy to cry out harshly. Betty had the flashlight almost all of the way in Kathy's undulating pussy. Betty pistoned the extra-big flashlight in and out in smooth strokes, using it like a twelve-inch dildo.

Both hot women were ravenous with lust, with excitement, with having themselves probed and eaten. Kathy drove her tongue deep into Betty's rippling cunt, rotating her flaccid wet tongue around inside Betty's churned fuckhole. Betty screamed maniacally, making shrill, inhuman sounds.

Kathy slurped away, pistoning her tongue in and out of Betty's fuckhole. She had her finger wedged almost all of the way up Betty's shit-ter. Betty's ass tubing flexed tightly around Kathy's probing finger. Kathy wriggled her finger and stroked it in quick, short jerks inside of Betty's ass. Betty was going over the brink in fuck-mad hysteria.

Betty kept licking Kathy's clit and fucking her with die flashlight. Kathy's pussy was forced wide open, almost to the point of splitting.

Kathy moaned uncontrollably. She writhed beneath Betty, feeling her cunt completely filled and fucked mercilessly with the huge flashlight. She felt her sensitive clit flesh licked by Betty's moist tongue.

Both women jerked and groaned and pumped their heads into the other's cunt passionately, savagely. Wet mouths searched frantically, flicking and eating and tonguing furiously. Their mouths explored and jabbed and stabbed each other's cunts. They each licked and lapped maniacally, feverish with passion, hysterical with lust. Tongues wiggled inside boiling pussies, against erect clits. Betty's contracting asshole gripped Kathy's index finger tightly. Betty had the flashlight wedged so far up Kathy's constricting cunt that she was not sure that she could get it out.

"Ohhh, aiiieeeeeee, I'm so hot, yesssss!" groaned Kathy.

"Yesssss, oh, yesssss, eat my cunt, arghhhh!" shrieked Betty.

They were both driving the other recklessly through the most intense and satisfying orgasm of their passion-filled lives. They writhed as one on the couch, jerking and spasming madly, flailing away, eating and fucking at each other. Kathy cleaned Betty's pussy with her hot wet tongue and pushed her pistoning finger hilt-deep into the dark-haired woman's ass. Betty had the flashlight all the way up Kathy's shuddering fuckhole. She pistoned it in and out and twisted it as she fucked Kathy, causing the blonde to writhe uncontrollably.

Betty screeched, fucking Kathy's surging cunt guts with the flashlight. Kathy was quivering erratically, losing all control. She did her best to keep licking Betty's open red cunt, slurping up the dark-haired beauty's pussy juice as it

oozed out. She kept stabbing her finger deep inside Betty's shitter, reaming the secretary's ass.

"Ohhhh, ughhhh, fuck my ass, jam your finger deep, clean my shitter, arghhhh!" Betty wailed.

She thrust the flashlight all the way into Kathy's moist fuckhole. The blonde's burning wet pussy engulfed the flashlight completely. Betty fucked it in and out with savage movements that caused Kathy to scream.

"Ughhhh, my cunt, yesss, fuck it deep, arghhhh!" Kathy groaned, her whole body jerking with an utter lack of control.

She wedged her tongue into Betty's cunt, impaling the brunette's shimmering pussy. Kathy lunged her tongue in and out in a series of quick flashes that left Betty panting for more. Every time Kathy fucked her tongue into Betty's cunt she also probed her index finger into the hot secretary's shitter, filling the woman's fuckholes completely. The sweet crack of Betty's ass contracted over and over, gripping Kathy's probing finger tightly.

"Aaiiee, yess, my ass, my cunt, ohhhhh, fuck me, yesssss!" Betty chortled.

"My pussy, so filled up, fucking me, arghhhh!" Kathy wailed.

Both women began to grind their asses rhythmically against the other's face, tensing and screaming and sobbing from lust reverie. They fucked madly, feverishly, bucking their tongues and fingers into each other's hot cunts. Their pussies were soaked with cunt juice. Kathy's face shone with Betty's cunt oil. Betty's cheeks glistened from slurping up the hot blonde's fuck juice which lathered out of her pussy.

"Ughhhh shit, God, yessss!" cried Betty.

"Ooooooh, Jesus, fuck me, arghhhh!" screamed Kathy.

"Fuck me deep, fuck me deep! My ass is on fire! My cunt's burning up, arghhhhh!" Betty groaned.

"Fuck my hole, split my cunt, I don't care, ughhhh, shit, yessss!" Kathy cooed, spasming uncontrollably.

Orgasm after orgasm whipped through the sweaty beauties* bodies. They came repeatedly, tensing and shivering furiously. It was as if an electric current of lust ran through them, driving them over the brink.

Their violent fuck-thrusts penetrated each other's tortured fuck openings. Betty ground the monstrous flashlight in and out of Kathy's undulating cunt. Her slippery wet tongue kept flicking at Kathy's swollen clit head. Kathy ate Betty's cunt like she was starved; she kept her pistoning finger tightly wedged deep inside Betty's asshole.

They both kept coming, over and over. Betty rotated her cunt against Kathy's face, receiving the hot blonde's tongue in her pussy. Kathy's slick tongue stabbed deep into the dark-haired secretary's cunt, driving her svelte, muscular body into contraction after contraction.

Kathy didn't think her cunt could take any more. Her wet pussy felt drenched. It burned hotly, as if on fire. Wave after wave of uncontrolled lust shot through her body.

Betty slapped her cunt down over Kathy's face. Kathy's mouth ringed the hot secretary's burning pussy. Betty's shitter was steaming; Kathy ground her finger inside of Betty's asshole, stirring it around, stretching the dark-haired beauty's ass walls out of shape.

Kathy arched her cunt toward Betty's face. The horny blonde could feel the large flashlight tearing her fuck guts, distending her tender pussy walls, perhaps changing their shape forever. She gritted her teeth and screamed soundlessly after that, as if making any sound was beyond her control. Both women were coming hard, over and over and over, making some kind of orgasm record. Their hot holes quivered erratically, seeping pussy juice.

Both women were receiving the surging charges of sexual electricity that carried them over the brink, giving them the most intensely satisfying climaxes of their lives. Kathy's tongue lashed deep into Betty's fuckhole. Betty's cunt spasmed tightly around the blonde's tongue, and Betty's ass convulsed around Kathy's wiggly finger.

Their bodies were entwined, wrapped tightly around each other in a frenzied grip. They panted harshly, writhing and screaming, becoming totally spent from the intensity of fucking each other.

Finally, they slowed their bucking and thrusting and licking and slurping, and collapsed onto each other. Betty's head was against Kathy's cunt and Kathy had her face wedged between Betty's asscheeks.

"I'm really . . . wasted," Betty mumbled.

"That was great, it was incredible, fucking incredible!" Kathy groaned.

They were pleasure-drained. Their mouths were lathered with pussy juice. They held onto each other in the mellow afterglow.

Finally, after much time had passed, Kathy said, "That sure was some massage. I'm relaxed now."

"Thanks."

"There'd only be one thing that would be better."

"What?"

"A guy to fuck."

"That's for sure."

They untangled themselves from each other.

Betty wiped her ass and cunt with some tissue. Kathy wiped cunt oil from her crotch.

"That was fun," Kathy said. "I could like working here."

"You'll fit in fine."

Chapter Five

There was a knock on the door.

Kathy panicked and made a grab for her clothes.

Betty was more relaxed.

"Who is it?" she sang out merrily.

"Dexter, Robert Dexter. Is that you, Betty?"

"Ooooh, Bob, you're just the guy we've been looking for."

Betty went to the door and unlocked it.

Kathy's face flushed.

"Don't worry, Kathy, Bob's all right."

Betty opened the door to a six-foot giant of a man with blond hair and wide shoulders.

Bob Dexter walked in, wearing a business suit, smiling. When he saw dark-haired Betty's naked body, and blonde-haired Kathy, holding her clothes in front

of her, he smiled even more.

"What's going on here? Whatever it is, can I join in on it?"

"Sure," Betty said. "This is Kathy Webb, the new temporary secretary. I was just showing her the ropes."

"Will you show me some?" Bob said, becoming excited.

Betty skipped to the couch and sat on the edge, spreading her tapered legs wide. Glistening pussy hairs and her gaping red slash were revealed to the blond man. Bob watched enthusiastically.

Kathy stood by the couch, still clutching her clothes.

Betty dipped a finger into her wet pussy and tugged at her scarlet cunt lips, showing Bob her inner cunt.

Bob loosened his tie, his eyes fixed on Betty's open pussy. He unbuttoned his shirt and threw off his coat, piling everything in a heap in the corner.

"Bob's a dream come true," Betty said to Kathy. "We said we wished a guy was here. Now we have one!"

Kathy studied the handsome man stripping before them. He was a blue-eyed blond, every girl's dream. He was built like an athlete, sexy and muscular. She lowered her clothes, which she held before her, letting the man see her charms. Kathy's mammoth tits stuck out and her nipples were erect. She laid her clothes aside and stood before him, stark-naked. Her triangle of cunt hair bristled in the

light. Kathy rubbed two fingers between her thighs, moving her hand closer to her cunt. She licked her lips seductively.

Bob's heart skipped a beat. A brunette and a blonde, both naked, both uninhibited.

Betty, on the couch, spread her legs wider apart.

"Have you ever touched more than one woman?"

"Not till now," he replied.

Kathy turned her back to Bob and bent at the waist, showing him her cunt. He'd seen Betty's cunt, now he was going to get a shot at Kathy's pussy and ass. Kathy parted her asscheeks with both hands and tensed her stomach muscles, causing her shithole to wink at the sexy man. Kathy used two fingers to wedge her cunt open farther, showing off her shiny red fuckhole.

"Wow, fucking incredible!" Bob said, his cock growing even larger.

Kathy, still bent at the waist, her back to Bob, stuck a finger inside her sloshy cunt. She stuck another finger inside her constricting asshole, wiggling it gently inside her shitter.

Bob thought he would collapse from the sheer anticipation. He stood transfixed.

Betty got up from the couch and approached him, swiveling her hips as she

approached.

"We're going to enjoy you, big boy, you're an answer to a prayer."

Betty got to her knees in front of the big man. She unfastened his pants and slid them down to his ankles. He had thick, muscular thighs. Betty's eyes widened as she looked at the shape of the mammoth prick before her. Bob's cock strained against the fabric of his shorts. Betty pulled his underwear down quickly, flopping his hot cock out. It was like a giant slab of meat which bobbed up and down before her. It looked as thick as her wrist, blue veins throbbing, purplish-red cockhead bloating.

"Goddamn, look at this, Kathy!" the horny dark-haired secretary blurted.

Pulling her hand from her cunt, Kathy came forward quickly to see the mammoth prick that Betty knelt before. She gazed down at his rigid cock which hung inches from Betty's ruby-red lips. Kathy lifted one of her tits into the air. She rubbed up against Bob and licked one of her nipples seductively. She knew that Betty would take care of the blond hunk's cockmeat.

Bob stared open-mouthed at Kathy's incredible tit flesh.

Betty grasped Bob's big prick, her dainty fingers barely able to circle the huge cock. It flopped heavily into her hands like a big piece of sausage. She could feel it pulse with power.

"Oh, my heavens! Yeah, I like this! God, it's eight inches if it's an inch!"

"Then let's have some fun with it," Kathy said, pushing her tits against Bob's chest. She circled one of her tits against the man, stimulating her pointed

nipples.

Betty wrapped her lips loosely around the head of Bob's cock. His flexed prick distended her lips, which ringed his cockshaft tightly. It was a monster cock.

Bob fondled Kathy's tits. He had big, strong hands, and he knew how to use them. He deftly stroked her tit flesh, and pinched her nipples lightly. Kathy cooed passionately, her crotch getting wet with anticipation.

Betty licked the underside of Bob's mighty cockshaft, moving her tongue from the bloated tip to his balls, roving her tongue back and forth, licking the skin of his swaying prick. She was awed by its size and magnificence.

Bob could hardly stand it. He tried to move to the couch, but while Betty slurped at his rigid cock, he couldn't take a single step.

"Ooooh, I just love your big cock! Here, let's go to the couch, I'll hold your cock," Betty said, getting to her feet and keeping one hand wrapped around Bob's cock.

Bob went to the couch and sat hurriedly. Betty knelt in front of him. His big prick stuck straight out from his muscular body. Kathy straddled Bob's body as he sat on the couch, pushing her cunt at his face.

Bob faced Kathy's wet pussy, smiling.

Betty faced Bob's giant cock, smiling. She admired his prick and stared hungrily at his mammoth balls. Betty cupped his balls deftly in the palm of one hand, then lowered her face, licking his sensitive balls lightly. She tongued his

tender balls carefully, licking in smooth, even strokes.

Kathy was not to be outdone. She had her hot cunt in front of Bob's face. Her slimy, wet cunt undulated before Bob.

Betty took his balls into her mouth, one at a time, and slurped them-like big marbles.

Bob moved his face forward and flicked his wet, tapered tongue at Kathy's erect clit. Encountering the knobby hardness of her clit, Bob circled his tongue around it, probing and slurping.

Kathy moaned loudly and arched her hips forward slightly, feeling Bob's mouth against her cunt. She could feel him licking her clit, then he moved his lips to the open red mouth of her cunt. Kathy's breath came in gasps as Bob ate her pussy.

Betty finished lapping at Bob's balls and took his mammoth prick into her mouth, swelling her cheeks out as the big cock shot through her lips.

She ground Bob's cock into her wet mouth.

Kathy kept her hot cunt pressed against Bob's face. His lips ringed her cunt mouth. His slithering, wet tongue pistoned in and out of the hot blonde secretary's pussy in between gasps of passion.

Betty sucked harder and harder on his big prick. It was sturdy and angled deep into Betty's throat. Drawing her moist lips tightly around his rigid cock, she sucked it in and out of her mouth.

Kathy writhed on the couch, her legs spread wide, kneeling so that her wet pussy was pressed against Bob's face.

Bob kissed Kathy's fuckhole. He burrowed his face into Kathy's oozing cunt, gyrating his tongue as deep as he could. Kathy's pussy dilated around his fucking tongue.

Betty ravenously ate Bob's cock, pistoning her face up and down on his bloated prick. Bob's mammoth cock filled her mouth. Betty deep-throated Bob's cock, her eyes widening as his eight-inch cock rammed itself farther and farther down her throat. She nibbled every square inch of it like it was saving her life.

Bob moved his hips, fucking his cock farther into Betty's mouth. He smashed his face against Kathy's pussy, sucking pussy juice right out of her fuckhole. Kathy writhed and jerked, crying out loudly.

Betty fucked her face onto Bob's cock faster and faster, distending her throat as the mighty prick shot deep into her. She wedged a finger between Bob's asscheeks. Wiggling her finger, she was able to find his crinkled shithole, which collapsed tightly around her probing finger. She stuck it just inside of his ass, causing him to jerk upright as she fucked him in the ass with her finger.

The big veins in Bob's cock swelled. His long cockshaft filled Betty's open mouth. He screwed his tongue in and out of Kathy's hot cunt. Bob reached behind the blonde beauty and parted her asscheeks. He decided to stick a finger up Kathy's ass.

Kathy arched her pussy into Bob's face. She wanted him to lick her cunt dry.

Bob nibbled at Kathy's clit and then stuck his tongue into her pussy, circling it around, rubbing the rubbery appendage against her inner fuck walls.

Betty worked away on his thick cock. She had it hilt-deep in her mouth; her throat muscles could feel the mighty cock pulse with power. Betty twisted her head around, rubbing her inner throat flesh against the sensitive skin of his hot prick. Betty kept a finger wedged into Bob's dilating asshole. As she fucked his cock with her face, she also fucked him in the ass with her finger.

Bob jerked on the couch, loving it. He was invading Betty's mouth with his slab of cockmeat while Betty invaded his shitter with her tiny finger.

Betty gurgled with delight, sucking on his sturdy pole. She fucked him with her wet mouth as if her life depended upon it.

Bob twisted and turned on the couch, keeping his face over Kathy's succulent cunt and his finger wedged in the hot blonde's asshole, pistoning the digit in and out of the sexy blonde's shitter.

Betty gobbled Bob's cock ravenously. She circled her finger inside of his asshole. Bob's warm asshole constricted tightly around her finger. She pulled his cock out of her mouth for a second to admire it. Bob's huge prick pulsed in her hands. Its blue veins throbbed. His thick cylinder of cockmeat was like a piece of hot^ hard lead in her hands. Betty quickly stabbed it back into her mouth and sucked it deep into her throat. Bob's cock was ready to be fucked. She did not want his prick to cum in her mouth. She wanted his hot jism in her pussy. She angled his thick prick out of her throat and looked up at the pussy-eating man.

"I think you should fuck us, big boy!"

Kathy liked the idea, too. Her cunt was wet from being eaten by the blond man. He had her pussy juice spread all over his face. She loved his mouth in her cunt and his finger up her ass, but his cock was what she really wanted.

"Yeah, ram that meat into us, both of us!" she said.

Bob sucked his lips away from Kathy's syrupy pussy. He removed his finger from her tight asshole, distending her shitter as he pulled it out.

"I'm willing to oblige," Bob said, his thick cock waving back and forth, as if signaling his willingness to fuck the two horny secretaries.

Kathy stepped off the couch carefully, removing her pussy from Bob's face. Betty backed away from his huge cock. The dark-haired beauty was on all fours, her ass turned toward Bob. Kathy fell to her knees next to Betty, giving him two sets of holes to admire. Both women reared their hot little asses into the air. Two assholes and two wet pussies pulsed open for the hot blonde man seated on the couch.

Bob saw the parted asses of the two women on all fours before him. Their hot asscheeks were open, ready for entry by his cock monster. Both little assholes convulsed like little pink buds. Below their tiny assholes, their cunts gaped open, framed by their pubic hair. Both cunts shimmered in the light. Both were red and inviting. Both seeped cunt juice.

"Christ, this is great!" Bob cried, falling to his knees behind the two steaming secretaries. He grabbed Betty's asscheeks and parted them wider. He stared into the steamy, deep valley of her asshole. Her asshole and pussy pulsed open for him. He reached down and lathered her wet pussy with one of his hands, making sure she was ready for a cock stuffing. He dug deep into the dark-haired woman's shimmering fuckhole with three of his sausage-like fingers. The stubby digits shot deep into Betty's boiling cunt, sliding easily in. She was greased with pussy juice, ready for fuck action.

Bob lifted the throbbing knob of his bloated cock and nibbed it against the

lathered mouth of Betty's cunt. Betty jerked involuntarily. Bob's cock head pressed against her slippery cunt lips. His cockhead filled her ringed pussy opening. He rubbed it momentarily inside the circular entrance to her sloshy wet cunt, then he shot himself forward quickly, thrusting his thick cock into her pussy. Her fuck tunnel was filled completely, driving her ravenously crazy with pleasure.

Bob bucked in and out of Betty's undulating cunt. He buried his cock hilt-deep then withdrew it, then slammed himself back into her convulsing pussy. He jack-hammered her pussy with such force that her head snapped back and Betty screamed.

Bob fucked her brutally, furiously grinding his cock into her cunt. Bob's thick cylinder of cockmeat heaved in and out of Betty's lusting cunt with tremendous force. Betty gulped hard, gritted her teeth, every time the blond man drove his massive prick into her burning pussy.

Betty groaned, losing all control. She writhed on the floor, almost collapsed forward as the bludgeoning cock smashed into her cunt. She had her ass raised in the air to better allow the cock to fuck into her. With every mighty thrust, she drove herself backward onto the hot cock drilling into her. Betty felt all the bones in her body rattle every time Bob smashed his sturdy cock deep into her seething cunt.

Kathy did not want to be left out. She offered her rump also, but Bob seemed content to stuff his throbbing cock into Betty's dilating cunt. So Kathy, pouting, rubbed her hips up against Bob's pistoning right thigh as he blasted his way deep into Betty's rubbery fuck guts.

"I'm all wet for you, don't leave me out," Kathy said, shaking her blonde head and wiggling her cute ass.

She reached back and spread her asscheeks so that Bob could get a better

look at what she had to offer. Her wanton cunt and her puckered shithole flared open.

Bob pounded Betty's creamy cunt, jerking the dark-haired beauty's tensed body with every savage stroke. Betty was screaming and pounding her fists on the floor as Bob drilled her buttery fuckhole. Bob watched Kathy's open asscheeks as he fucked Betty. He liked what he saw of the cute blonde's oozing fuckholes. He reached over and stuck four fingers into Kathy's wet cunt. He fucked Betty's swampy fuck guts, and finger-fucked Kathy's cunt. Every time he dove his hot cock forward, he pistoned his hand into Kathy's pussy. Both women shrieked in unison.

Bob piled it on, jamming his cock into Betty's cunt and twisting his hand into Kathy's cunt. Kathy shook her head and bolted back onto Bob's invading hand. She wanted his fingers as deep in her creamy cunt as she could get them.

Bob doubled his fist up and rammed it into Kathy's cunt. He fist-fucked the horny blonde. He wedged his clenched fist into her open cunt, pushing her entire body forward as he slammed his hand into her cunt.

Bob's fist impaled the sexy blonde's surging fuckhole. Kathy screamed with delight and rubbed her tits into the floor, panting with pleasure. She savagely pumped her wet cunt back onto Bob's rampaging fist.

He jammed his fist repeatedly into Kathy's cunt, and ground his thick cock into Betty's undulating fuckhole. Betty convulsed on Bob's streaming prick, writhing and jerking erfafically.

"Arghhhh, shit! I'm cumming!" Betty groaned.

The walls of Betty's dilating pussy engulfed Bob's rampaging cock. Betty's

slithering cunt clamped down hard on the huge man's prick. The head of Bob's flexed cock swelled and his entire cock began to quiver as he came also.

"Ohhh, shit, cumming too!" Bob shrieked, clenching his eyes shut.

He continued jamming his fist into Kathy's cunt as his mighty prick exploded into Betty's pussy, showering her rubbery wet inner pussy walls. Endless swirls of hot cum flashed from his balls. Gush after gush of steaming thick jism shot out of his throbbing cockhead, splashing Betty's inner cunt walls. Betty's gaping fuck hole was drenched in Bob's cum. She loved it and cried out in glorious fuck rapture, her pussy convulsing around his surging cockmeat.

Betty shivered with ecstasy as she received the scalding wads of jism. Her tits bounced up and down as she wiggled back on his flaring cock which was jammed into her tender pussy. She shrieked and convulsed, forcing her plump cunt back onto the exploding prick reaming her fuckhole.

He pistoned himself into the dark-haired sex maniac's creamy fuckhole in smooth, powerful strokes. His might prick shivered inside Betty's dilating pussy. Every strong stroke sent another sizzling wad of cum deep into Betty's cunt. Bob's cock exploded in a series of convulsing explosions that filled Betty's belly with fire. Both of them squealed with delight, fucking crazy, slamming themselves into each other.

His sturdy cock shot deep into Betty's creamy cunt, finally starting to empty itself after what seemed like an eternity of cumming.

Bob continued ravaging her violently, making sure that his cock had flashed the last of his furnace-hot cum into her. He slammed his thighs against hers. The hot crack of Betty's burning pussy enveloped his cock tightly. Betty was going to squeeze every last drop of cum out of Bob's big cock, using her cunt as a vise. The last few squirts of Bob's burning jism surged into Betty's bubbly cunt. Her

entire body bounced from Bob's strong thrusts, almost raising her from the floor. He shot the final steaming pellets of cum into her rippling pussy. Cunt oil and jism leaked from her crotch, onto the floor.

A final burst of cream blasted into Betty, causing her to shriek with pleasure. Her cunt sloshed with Bob's cock milk. She slid off Bob's thick cock. Cum dripped down her steaming crack, onto her thighs. She sighed heavily.

Bob smiled and looked down at his glistening cock meat, which angled up into the air, ready for more. It shone in the light and dripped with cum and cunt oil.

"Your turn," Bob said to Kathy, who was still happily shoving her cunt onto his fist.

Bob removed his hand from Kathy's cunt and there was a loud slurping sound. Kathy's warm fuckhole was wet with pussy juice, waiting to be fucked by a real cock.

Bob moved behind Kathy's upraised ass and pressed his taut cockshaft against the hot mouth of her undulating pussy.

"Fuck my cunt!" commanded Kathy, wild with anticipation.

Chapter Six

Bob placed the head of his cock against the moist open mouth of Kathy's undulating cunt.

Bob shot himself forward, blasting his throbbing cock all the way into the hot

blonde's pussy. Bob's thick prick wedged open Kathy's cunt, filling her wet pussy completely.

"Arghhh, my cunt, yesssss!" Kathy screamed. She arched her body, driven forward by the power of Bob's furious fuck thrusts. His hot cock impaled Kathy's cunt all the way. Kathy screamed as Bob's massive prick blasted deep inside her buttery cunt, Bob's bloated cock rubbed her inner cunt walls ruthlessly. He pumped back and forth in quick bucks. He drilled Kathy's sloshy cunt and buried his thick prick hilt-deep every time he pummeled his cock into her boiling pussy.

The horny blonde yelped as she shoved her ass back to get Bob's steaming cock jammed all the way into her writhing pussy. Her whole body jerked as Bob bolted forward, shooting his hot cock into her pussy. He slammed his mighty fuck meat deep. Kathy's surging cunt convulsed around the violating prick which was being shoved into her from behind.

Bob punched his fabulous cockmeat into Kathy, ramming the lubricated prick deep into her fuckhole. His pulsing cockshaft filled Kathy's cunt to the rim. Bob lunged forward and began twisting his hips, reaming the poor girl's cunt as he fucked her hard. The thick knob of Bob's cockhead probed deep into Kathy's surging pussy. He buried his prick hilt-deep every time he shot his hips against the hot blonde's soft asscheeks. They were both delirious with passion.

Her cunt was steaming hot inside, Bob's thick, pulsing cock filling her up. She shivered all over. Her cunt quaked. Kathy's convulsing pussy walls engulfed Bob's powerful cock and gripped the stiff prick tightly as it pounded away at her moist pussy.

Kathy pushed herself back onto Bob's rampaging cock. The blond man's pistoning prick bludgeoned Kathy's open pussy. His stomach banged against her asscheeks.

Bob pumped his prick maniacally, burrowing deep into Kathy's lathered cunt. Her pussy enveloped Bob's thick cock completely as his hips thrust in and out. He slammed his cock into her cunt, fucking like a crazy man. The walls of Kathy's hot cunt were moist and clutching. His jabbing prick flared inside Kathy's pussy. Bob jabbed in and out of the hot blonde's cunt like a man possessed. He loved the sexy secretary's tight pussy. His cock knifed in and out in quick, lightning-like strokes.

Kathy's cunt felt like a red hot vacuum surrounding his cock in a strangle-grip of soft flesh. Her spasming pussy firmly clamped itself around his bolting cock every time he shot forward. His cock extended farther up Kathy's surging cunt than the horny blonde thought possible.

Kathy wailed as she lurched backward onto the monster cock being stuffed into her pussy. She rotated her ass in a circle, keeping Bob's stiff prick planted deep inside her moist cunt. She cried and she panted as the tree-limb sized prick sunk deep into her cunt repeatedly. Kathy's quivering fuckhole was throbbing. She could feel the pulsing veins in Bob's cock as he wedged it deep in her pussy. Kathy shuddered violently, feeling Bob's cock smash into her. She was coming quickly. An extremely harsh and violent orgasm convulsed through her body. Her cunt spasmed uncontrollably, tightening in a death grip around Bob's pistoning cock.

Bob machine-gunned his cock into Kathy's cunt, gyrating his hips as he did so. This caused his cock to rub against every square inch of the hot woman's steamy cunt. He pumped into her with a vengeance, fucking her maniacally.

Kathy's titilated muff spasmed around the twisting cock shaft blasting into her. Kathy was pushed forward on the carpet every time Bob pumped himself into her. Her dilating cunt rippled with pleasure as Bob shot himself hilt-deep into Kathy's oozing pussy. Kathy climaxed over and over, her pulse quickening, her breath coming in harsh, short gasps.

Bob's passionate fuck frenzy increased. Bob's thick prick shoved all the way

into her shuddering cunt, then withdrew, then shot back in. He fucked her in such a quick flurry of strokes that she thought her cunt was on fire. The friction was indescribable. Kathy's juicy fuckhole surged. Bob was churning himself into her wet pussy. He savagely pumped his cock deeper and deeper and deeper into the hot blonde's bubbly cunt. Bob heaved his cock into Kathy's cunt with merciless bucks that left the sexy secretary breathless, dazed. His cock ravaged her surging cunt.

Bob's massive prick shuddered violently and swelled. The tip of his engorged cock exploded in endless rivers of scalding cum which spewed into Kathy's quivering pussy. Bob's savage fuck-thrusts blasted repeated wads of sizzling cum into the horny blonde secretary jamming her ass back onto his upraised fuck pole.

"Ughhh, shit! Cumming!" Bob cried.

"Yesss! Burn me with your jism!" Kathy screamed.

She received the hot darts of Bob's thick cum gleefully. The big man fucking the sexy secretary's open cunt banged his hips against her ass as his swollen cock shot deep into her surging pussy. Every brutal fuck-thrust rattled Kathy's teeth, jerked her head up and knocked her forward on the floor.

Bob pressed his hips up against Kathy's ass flanks and stirred his flaring cock around the inside, of her pussy. The rubbery slick walls of Kathy's pussy felt the thick cock rubbing them harshly. Bob's cock was buried hilt-deep and Kathy loved it. The pink, turgid lips of Kathy's moist pussy was stretched wide open with Bob's throbbing cock jammed tight up against her cunt mouth. The walls of Kathy's slick cunt were drenched with cum. Bob's mighty prick shot its thick wads in endless succession, splattering her lathered pussy. Bob came with such intensity that he could hardly move. Wave after wave of his thick, hot prick oil jetted into Kathy's slick inner fuckhole.

The fiery loads of cum surged into the sexy secretary's churned up cunt. Kathy's pussy burned with Bob's furnace-hot jism. She felt her cunt tighten up as his flexed cock reamed her pussy. Bob lunged forward, shoving Kathy along the floor, tensing her muscles as she tried to rear back onto him. He was fucking her mercilessly. His smooth, vicious fuck strokes were quick and powerful.

Geysers of spewing jism erupted from Bob's convulsing cock. His cock filled Kathy's pussy completely. His hot cum splattered the walls of her pulsing cunt.

Kathy groaned, her whole body tense. Her quivering cunt collapsed completely around the rampaging cock violating her pussy. Kathy was lost in fuck rapture. She bucked her whole body back, trying to impale herself on Bob's exploding cock. His prick extended all the way into her clutching cunt. Her slick pussy walls were wrapped tightly around the invading cock. Bob's throbbing cock shot forward repeatedly, seeping its fiery shots of cum in a furious flurry of blasts that left Kathy breathless.

"Ughhh! My cunt! Yesss!" she cried.

Her pussy burned with the hot wads of jism which soaked her cunt guts.

"Yesss! You got it all! Here's the last drop!" he shrieked, grinding his hips forward for a final explosion.

His thick cock meat skewered her tender pussy. Bob's bulging prick speared Kathy's undulating cunt as it shot out a final thick gooey gob of cum.

"Yessss! Oh God! Urgghhhh!" she screamed.

Bob moaned loudly and fell on top of Kathy's creamy ass flanks, driving her onto the floor. Cum seeped from his cock head, which stayed planted inside her steamy pussy. His cock sloshed around inside the blonde woman's convulsing fuckhole. Kathy's pussy continued contracting for some time. Bob could feel Kathy's rubbery slick pussy engulf his half-limp cock. His white-hot jism floated around inside the breathless secretary's satisfied fuckhole. Kathy's cunt was warm and wet.

"Oh, that was great," Kathy cooed.

"Yeah," Bob whispered.

He finally rolled off of her, his cock pulling out. Cum dripped everywhere. Kathy's crotch was wet and slick. Her cunt was a swampy hole. Bob's cock was a thick slab of meat which swayed between his legs. Bob lay between the two sexy secretaries, feeling as if he was the luckiest guy alive. All of them were quiet for some time, enjoying the afterglow that comes from a good fucking.

Dark-haired Betty finally said, "How do you like your first day on the job, Kathy?"

Kathy raised her head and winked at Bob, then at Betty.

"I hope every day is like this."

Chapter Seven

Betty introduced Kathy around the office areas after their great fuck session

with Bob. Both women were in good moods.

"My, I can't believe the office space," Kathy said, staring at the distant walls and the desks and files and computers. "Who's in charge of all this?"

"Chuck Carson. His office is this way."

Kathy followed the pro secretary. Betty was so nice to be showing her all of this.

"Chuck's in there now," Betty said, opening the door. "I like surprising him like this. He's fun to work with."

Kathy walked in with Betty. Behind a massive desk sat an incredibly sexy hunk of a man. His shoulders were strong-looking, even through his business suit. He wore a neatly trimmed beard, and clipped but curly brown hair. Chuck Carson looked up from behind his desk and made a face at Betty.

"I'm busy, Betty, so why are you in here bothering me?" Chuck said, eyeing the two women in his office doorway. He winked as he said this, indicating that he was only joking.

"I want you to meet our new temporary secretary," Bett said, gesturing at Kathy.

Kathy smiled at the handsome man behind the desk. She liked his sense of humor and the fact that he allowed co-workers to just barge in on him at a moment's notice.

"Hi, Mr. Carson."

"Hi, Kathy, call me Chuck."

Kathy's blue eyes met the sexy man's dark eyes and they stared at each other for a long, drawn-out moment. The sexual electricity was instantaneous. Kathy felt her pulse quicken as she stared at the man before her. He had a personality and a great body.

Chuck's intercom buzzer interrupting their eye contact.

"Betty Johnson's got to find the Warren report for Mr. Bannister, if she's not busy," a voice said.

"I'm on my way!" Betty said. "You two get better acquainted."

"Close the door and have a seat. We'll chat, if you don't mind. I have the time. I'm in charge of this office, so whatever I do, I call it work."

Kathy sat in one of the chairs, noticing how tall Chuck Carson was. He sat back down and smiled at her, a friendly man who knew how to take control of a situation.

"You're sexy and beautiful," he said.

His chatter was not so much a come-on as it was a statement of fact.

"You're quite striking, yourself," Kathy said.

"Have you had much experience?"

"Of a sort," Kathy said, taking the bull by the horns. She stood suddenly and walked to Chuck's door and locked it from the inside. "I'll show you how experienced I am, if you have the time."

"I'm sure I do."

Kathy stood in front of his desk and began unbuttoning her blouse.

"Like what you see?"

"I love it/ Chuck said, his eyes going wide. "I thought you were shy."

"I usually am, but you bring out the beast in me," Kathy said, taking her blouse off completely.

"You've got great tits, Kathy."

The hot blonde unfastened her bra and flipped it off suddenly. Kathy's huge tit flesh wobbled free, bouncing up and down on her chest, huge creamy globes of flesh which caused Chuck Carson's mouth to drop as he watched.

"Goddamn! Those are some tits you got there, little lady!"

Kathy unsnapped her skirt and let it drop to the floor, then stood before Chruck Carson in her bikini panties, hose and garter belt.

"I'm getting hot inside," she said, sticking her hands between her thighs. Kathy stretched her panties out from her body and dipped a hand down into her pussy, inserting two fingers into her buttery cunt. "Ooooooh, that's so nice! My pussy's wet, Chuck."

"That's good," he said, rising from his chair.

Kathy withdrew her hand from her cunt and brought it to her lips.

"Wonder how it tastes."

"Me, too."

Kathy licked her fingers, tasting her cunt juice.

"Yum, that's good! Want some?"

Chuck came from behind his desk in a flash.

"Hell, yes!"

Kathy stripped off her panties, wiggling slowly out of them. She moved to the edge of Chuck's desk and planted her ass on the edge so that the handsome

business executive could have easy access to her succulent cunt.

Kathy spread her tapered thighs as wide apart as possible and placed two fingers against the pink, turgid lips of her undulating pussy. She spread her cunt lips for Chuck to see what was inside.

Chuck gulped hard, staring at Kathy's open fuckhole. Her cunt was oozing pussy juice. He burrowed his face into her crotch, ringing his lips against her succulent cunt.

"Ooooh, that feels good!" Kathy cooed.

Chuck sucked on her pussy, lapping up her pussy juice and flicking her clit with his tongue. He twisted her hot cunt open with his hands and stared at the pulsing cavity of her fuckhole. Her cunt was wet inside. Chuck stuck his tongue into her pussy and began slurping at the soft inner walls of Kathy's surging cunt.

"Yesss! Eat me!" she gasped, shaking her head.

She looked down and saw the top of Chuck's head as he pushed his face against her steaming pussy. Cunt juice leaked onto the business executive's face, but Chuck did not seem to mind. He loved the taste of Kathy's pussy and ate all that he could. Kathy scooted her body forward so that the handsome man could have a better shot at her cunt.

"Mmmmmrff, yeah!" Chuck mumbled, slurping away at Kathy's undulating fuckhole.

He ate like a starved man at a banquet. He gyrated his tongue inside Kathy's spasming pussy, causing the hot blonde on the edge of the desk to writhe with

passion.

Chuck burrowed his slitherly wet tongue into the sexy secretary's throbbing cunt. He used his teeth to gently nick Kathy's erect clit. He put his lips over her cunt mouth and slurped at her pussy.

Kathy was ecstatic, feeling her pussy being dined on. Chuck's pistoning tongue shot deep into her fuckhole, rubbing her inner cunt walls. She was being driven crazy with passion.

Chuck slobbered over her cunt. He stabbed his tongue in and out of the hot blonde's churned pussy. Chuck was having the time of his life. He ate Kathy's cunt enthusiastically. His rubbery tongue tip rubbed deep inside her undulating fuckhole. Her pussy spasmed over and over.

Finally, the sexy business executive stood up, his face covered with her pussy juice. He smiled as he stood there, knowing he'd done his job well. His hot cock was straining against his pants. He stripped off his suit coat and untied his tie.

Chuck unbuttoned his shirt, almost tearing it off his body. Then he reached down and unzipped his zipper. His thick cock bulged in his pants. He lowered his pants and stepped out of them. Then he ripped off his shorts. His huge cock flesh waved up and down as he stood there.

Kathy sat, wide-eyed, staring at Chuck Carson's mammoth prick. The big man's hot cock stood out from his naked body, rigid and swaying. Kathy reached out and touched it lightly.

"Hey, this is some cock you got!,, Kathy stood and released the cock. It didn't need any prompting from her. It was throb-bingly hard. Thick blue veins pulsed in the mighty shaft. Kathy turned her back to Chuck and bent over the desk,

showing him her ass and pussy. She parted her ass cheeks wide, using both hands.

Chuck placed his arms around her from behind and bent over her, his thick cock rubbing against her wet pussy. His hands sought her big tits. Chuck palmed Kathy's tit flesh in both hands, rubbing vigorously. Her spiked nipples stuck out like knife points. Her tit mounds were soft, yet firm. He stroked the huge globes of tit flesh evenly, deftly, his cock arching up against Kathy's cunt.

Kathy panted harshly. "Take me, Chuck, any way you want! Fuck me, however you want to! I want it, badly, now!"

Chuck kissed her wetly from behind. His lips sought her soft neck. He moved from her neck to her ears, kissing behind them, nibbling gently.

Kathy sighed heavily, her heart racing. Her whole body was tensed. She wanted this man to fuck her.

"How do you want to fuck me?" she said. "Whichever hole you want is yours!"

"Turn around and lie back on my desk," Chuck said.

Kathy lay back on the desk, arching a tapered leg into the air. She was letting Chuck see the dark slit of her slithering, wet cunt. The curly hairs of her cunt area surrounded her pussy. Her cunt lips split open.

Chuck sat on the edge of his desk, watching intently. He reached down and pushed Kathy's arched leg. Her cunt mouth opened farther for him. Her red inner fuck gash shone.

Chuck spread her fuckhole with his hands. He liked looking at her pussy. He opened the turgid, pink lips of Kathy's cunt with two fingers. He slipped an index finger into the temporary secretary's surging cunt, and began jerking it in and out, finger-fucking the hot blonde lying naked on his desk.

Kathy hissed in a breath of air, visibly turned on. She tensed as he finger-fucked her, stroking her succulent pussy with his finger.

Chuck probed deeper with his finger. The tip of his finger rubbed the inner recesses of Kathy's cunt. Her cunt walls were wet. Pussy juices sloshed around inside the horny blonde's buttery cunt. Chuck could tell she wanted it badly.

Kathy opened herself up more for him and grabbed his pistoning hand forcefully. She jerked his hand in and out of her cunt, finger-fucking herself with Chuck's roving finger. Her entire body shook. She used Chuck's finger like a dildo and twisted it inside her cunt, rubbing her raw inner fuck walls. With the other hand, she stroked Chuck's bloated cock. It snapped at her touch, roused to passion.

"I want your hot cum in all of my holes," she said. "Which one do you want first?"

"Your mouth," Chuck said. "Eat me!"

Chuck lay on the desk next to her, his hot cock shooting up into the air, angling back and forth like a huge pole.

Kathy encircled the tip of his bloated cock with her lips, ringing the pulsing cock carefully.

Chuck jerked on the desk, feeling her tender lips deftly nibble his cock.

Kathy moved her face away from his cock and gently licked the underneath side of Chuck's prick from tip to balls.

Kathy took his throbbing cock deep into her mouth. She wrapped her moist lips loosely around the swollen cock and slid her mouth up and down Chuck's slick prick. Chuck sighed heavily and tensed up. His body was rigid with passion.

Kathy slurped up the turned-on man's inflamed prick, tightening her mouth around the pulsing cock. Chuck's taut cock bloated as Kathy moved her mouth up and down his thick prick. She licked the most sensitive area of his cock, running her slithering wet tongue from his balls to his cockhead.

Kathy hoisted Chuck's glistening fuck meat before her eyes. She stared at it long and hard, admiring its size. The circumference was as thick as her wrist. She shook her head in wonder and then stabbed his stiff cock into her mouth. She ringed her lips around Chuck's leaden prick and let it fill her mouth completely. Her cheeks bloated outward as she swooped down on the big man's cockmeat. As she sucked his cock, her cheeks collapsed, rubbing up against every sensitive square inch of Chuck's fabulous prick. Kathy deep-throated Chuck's cock as if it were nothing. Her throat clenched tightly around his pulsing meat, gripping it like a pussy. Her wet throat was warm and succulent. Her mouth was tender and experienced. She stabbed his cock into her face all the way, and nibbled on his crotch hairs. Kathy fingered his balls, lifting the heavy, leathery pouch which housed them in one hand. She stroked his sensitive cum-holders with her fingers. Chuck's balls tingled. He twisted his head back and forth and clenched his eyes shut.

"Oh, yesss! Yesssss!" he hissed.

Kathy nibbled her way all the way around his thick cock. Her face skewered his long cock into her undulating throat. Chuck could feel her moist throat guts dilate around his cockmeat. _ Her rubbery slick walls engulfed his cock in a grip of passion.

Kathy slid her lips up and down Chuck's swollen cockshaft. Her slippery throat enveloped his tender prick. Kathy thrust his cock in and out of her face, fucking it furiously.

"Ohhh, yesss! Make me cum! I need to cum!" Chuck cried, arching his prick into the air. Kathy shook her head wildly. Chuck's cock was planted deep into her mouth. She could feel his body quiver as his bloated cock expanded suddenly, on the verge of exploding.

"Arghhh! Here it comes! Yessss!" he screamed loudly.

"Give it to me!"

A hot swirl of pleasure shot up through Chuck's tensed balls and through the spasming shaft of his cock. His cockhead erupted violently, jetting the moist gooey gobs of cum into Kathy's sucking throat.

Kathy kept her lips screwed tightly around Chuck's blasting cock. Hot wads of gushing cum shot into her mouth. Her throat clutched hard at the escaping jism. She sucked even harder.

His hot cock flared repeatedly, shooting its loads of jism deep into the hot secretary's undulating throat. Chuck pumped his hips into the air as his cock exploded. This in turn jerked Kathy's head up into the air, but she held on firm with her throat, keeping a hold on the shuddering cock which was filling her with cum. Chuck's inflamed cock shot its warm jism into her slurping throat. She could

feel the sizzling darts of cum splash off her inner throat walls.

She swallowed as fast as she could. She lapped up the spewing fuck juice. Kathy greedily drank Chuck's cum, gulping the gushing jism as quickly as his prick jettisoned it.

"Mmmmm! Love your cum!" she moaned.

"Drink it! Take it all! Arghhh!" Chuck wailed.

He gripped the edge of the desk and burrowed his fuck flesh up into the air, skewering his cock into Kathy's open mouth. She gulped his cum down eagerly. The moist juice tilled her throat. She lapped up the hot darts of jism and swallowed it as quickly as humanly possible. It was the most delightful meal she'd had in a while.

"Love your cum!" she mumbled, keeping her lips wrapped around Chuck's spasming cock.

Shot after shot of hot cum spewed into Kathy's mouth. Chuck's bloated cockmeat exploded over and over in a seemingly endless spray of scalding cum. His cock rippled with pleasure as he ground it up into Kathy's mouth. Kathy sucked on his cock, loving every inch of it. Chuck banged his hips against her face, driving his prick hilt-deep into the sexy secretary's mouth. His spurting cock blasted into her tight-gripping lips. She was draining him finally, milking his cock with her mouth. Cum dribbled out of Kathy's mouth and down her chin. Her face glistened with Chuck's pearly white jism. His huge cock extended all the way into her throat. Her lips could feel the throbbing veins in Chuck's cock pulse with power with every furious blast of cum.

There was one final, furnace-hot explosion and Chuck's rigid cock was empty.

Kathy withdrew the cock tenderly, letting it rub against the cum-coated walls of her throat. She withdrew it from her lips and looked at it. She fondled it tenderly, grateful for the cum shower in her throat.

"You have such a grand cock," she said, licking the cum from it. She swallowed his jism greedily, as if she couldn't get enough.

"Thank you," Chuck said.

His plump cock was still rock-hard in the loving grip of Kathy's capable hands.

Kathy cleaned Chuck's cock completely with her moist tongue. Then she looked up at him, mischievously.

"Okay, which hole is next? Ass or cunt?"

Chapter Eight

"Maybe you need to inspect the possibilities," Kathy said, moving toward him. She lay on the desk and spread her legs wide apart, raising them into the air. Her muscled, tapered legs arched outward, parting her cunt lips and wedging her asshole open.

"Come on, come on! You're an executive! Surely you can make a decision when it comes to fucking my ass or pussy!"

"Damn, this is a tough, one," Chuck confessed. "Both of your holes are so wonderful, I just don't know which one I want."

"Then let me help you," Kathy cooed, circling her finger inside the lathered recesses of her cunt. "Fuck my pussy, okay? I need your cock so bad! Stick it in my cunt, Chuck!"

Chuck moved between her beautiful legs. He rubbed her lathered cunt with his hands. Her slick, rubbery fuckhole shimmered in the office lights. Chuck leaned toward Kathy's cunt, looking at the glistening mouth of her cunt. He ran his tongue lightly over her rippled slit, wanting to taste her pussy before he fucked it. As he licked the hot blonde lying spread-eagled before him, he deftly stroked his mammoth cock, getting it harder, turning himself on even more.

Kathy writhed as Chuck ate her pussy. She trembled at the light touch of his slithery tongue which flashed in and out of her fuckhole. His deft touch excited her. It was like having a lightning bolt of pleasure shoot up through her body. Kathy shivered and jerked and her cunt convulsed. Chuck's tongue flicked at her clit, then rammed itself into her pulsing pussy. Kathy cried out.

Chuck's snaking tongue moved up her creamy fuckhole all the way to the tip of her erect clit. Chuck flicked Kathy's clit, then rammed the end of his tongue into the writhing blonde's cunt.

"Yesssss! Yesssss!" Kathy screamed.

Chuck plunged his tongue in and out of Kathy's pussy. He licked the walls of her wet cunt, deftly exploring the sensitive areas of her dilting pussy.

Kathy's whole body surged with pleasure as Chuck's moist tongue gouged the rubbery slick walls of her cunt. She was unable to control the erratic spasms of her gorgeous body, which convulsed on the desk top. Chuck's head was wedged tightly against her open cunt. The pleasure of his going down on her cunt was

too much.

"Ohhhh, fuck me! Give me your cock!" she panted.

Chuck pulled his tongue from the lathered lips of Kathy's cunt. His cheeks and mouth glistened with the juice from her undulating fuckhole. He rose above the struggling blonde lying naked on the desk. Kathy's tapered legs stayed parted wide. Her cunt spasmed open, shining inside. Chuck hefted his thick hot cock into the air, taking careful aim at Kathy's cunt.

Chuck slipped the purplish head of his taut cock into the rubbery lips of Kathy's pussy. He twisted his cock around inside the mouth of Kathy's cunt, getting ready to shove it forward.

"Ooooooh, yessss! Shove it in! Ram my cunt!" Kathy moaned.

Chuck rotated his hips as he shot his cock forward, blasting the thick cock deep into Kathy's buttery fuckhole. The writhing blonde secretary felt the giant prick burrow into her pussy. She screamed loudly, her whole body becoming rigid with passion. She had lusted for the big man's cock, and now she was getting it. She loved it.

Chuck buried his cock all the way in Kathy's surging cunt. He could feel the slick walls of her pussy rubbing against the sides of his thick cock. He fucked Kathy so hard that he pushed her body farther back on the desk top.

"Fuck me, fuck me!" she cried.

The executive pistoned his hips in and out, shooting his furious cock deep into the horny blonde secretary's fuckhole. Chuck could feel his cock stretching the

rubbery slick walls of Kathy's cunt. Kathy screamed every time Chuck pumped his savage cock deep into her pussy. He pummeled the sexy secretary, blasting his prick in and out of her surging cunt. Kathy's pussy was boiling inside. Her fuck walls dilated around Chuck's bludgeoning cock. The horny man's massive piece of cockmeat drilled itself repeatedly into Kathy's surging fuck depths.

"Argghhh! My cunt's on fire!" she moaned.

"Goddamn, what a tight pussy!" he moaned.

As Chuck furiously fucked his strong body forward, he bounced Kathy back on the desk. His hot cock skewered the gorgeous blonde's undulating cunt. He shot forward with savage thrust which left Kathy breathless. Her tits wobbled on the desk. Kathy tried to arch her legs higher into the air so that her open pussy would be more available to Chuck's relentless cock. Chuck rammed into her like a cowboy riding a bucking bronco. He ravaged her burning cunt depths, spearing her wet pussy with his rock-hard cock.

Chuck yelped as he smashed his cock into her. He ground his hips against Kathy's trembling body. Her quivering fuckhole gripped his rampaging cock tightly. Kathy screamed as Chuck fucked her. The big man twisted his cock around inside her spasming pussy, driving the horny temporary secretary crazy with lust. He kept impaling her trembling pussy with his inflamed cock. Chuck's massive prick penetrated Kathy's gaping cunt farther than she thought possible.

"Make me cum! I need to cum!" she raved, smashing herself down on the cock which violated her pussy.

Chuck fucked even faster, drilling his inflated cock deep into the sexy secretary's fuckhole.

Kathy's cunt dilated around Chuck's thrusting cock. He grabbed her ankles and hooked them over his shoulders, raising her rump higher into the air. Her pussy was a perfect target for his cock. He drilled his fantastic cock deep into her buttery cunt. Kathy's upraised ass was rammed hard by Chuck's thrusting thighs. He pumped his cock into the sexy secretary's cunt maniacally, crazed with lust. He jammed his prick into the gorgeous woman's undulating fuckhole with a vengeance. He fucked her savagely, screwing his thick cock in and out of her tight cunt.

Kathy's pussy dripped, with pussy juice. She took Chuck's inflamed cock to the hilt every time he rammed himself forward. His cock blasted deep into her surging cunt. His tensed balls bounced off the crack of her ass every time he pummeled her cunt.

Chuck kept fucking her furiously, violently, shoving his thick cock in and out in lightning-quick heaves. Kathy's cunt dilated tightly around Chuck's pulsing cock, gripping it tightly.

Her whole body slid a little on the desk top as Chuck rammed his cock into her cunt. He jack-hammered his hot cock deep, rattling Kathy's teeth every time he speared her pulsating pussy.

Chuck smashed his throbbing prick into Kathy's gaping fuckhole. Her wet pussy engulfed his cock. He pumped himself deep into her foamy fuckhole. He could feel the sexy blonde woman's surging cunt dilate around his bludgeoning cock as her pussy quivered uncontrollably.

Kathy wiggled her ass up to meet Chuck's rampaging cock. Her moist pussy walls squeezed tightly around his swollen-veined cock every time he jabbed it into her clutching cunt. Chuck's huge cock bloated even larger as he slammed his cockmeat into her.

"Yesssss!" Chuck groaned. "Here it comes!"

Chuck's mighty balls suddenly constricted in shuddering spasms of pleasure and released hot bolts of thick, hot cum juice. He screamed with every spurt as the sizzling jism flooded out of his cock and into her clutching cunt.

Jet after jet of white hot cum flashed into Kathy's cunt. The sexy blonde's undulating fuckhole dilated around Chuck's thick, hot cock. His mighty cock spewed endless wads of sizzling cum into the sexy secretary's pussy. Kathy's cunt was drenched. Splash after splash of jism surged into her cunt. Kathy's inner fuck walls were splattered with cum. The fiery jism flashed into her pussy, soaking everything. Her dilating pussy was filled and she loved it.

"Yesss, yesss! Oh God, yessss!" she screamed, clenching her eyes shut.

She arched her ass into the air to better get the furious blasts of cock spurts which sent hot thick gooey gobs of cum deep into her boiling fuckhole.

Chuck soaked her undulating pussy depths.

He was filling the blonde secretary's hot cunt as his sizzling cum blasts surged deep into her trembling cunt.

His furious fuck strokes knocked Kathy back on the desk top. He was savage in his fucking, emptying his gushing cock as fast as he could. He was crazed with lust, and loving every second of it. His cock juice flowed deep into Kathy's surging pussy, splattering her inner cunt walls and soaking her fuck tunnel completely.

Chuck pumped all of his fuck juice into Kathy's trembling cunt. His cum

splashed the walls of her pussy. He could feel her tight inner walls envelop his cock as he pummeled away. The final bursts of furnace-hot jism surged into the sexy secretary's sex-charged cunt. Chuck's cum flooded her foamy fuckhole.

Kathy's slick pussy quaked with passion. She rocked up onto his flaring cock, getting the last of his fiery jism. They fucked like crazed animals. The tip of Chuck's weighty prick shuddered as it squirted its final bursts of cum into Kathy's steamy cunt. Chuck pumped his thick cock into her, forcing her inner cunt walls to surround his invading prick as he shot himself deeper and deeper.

Kathy came over and over, shivering in spasms of incredible intensity. She screamed and beat her fists against the desk top. Then she raised her arms into the air and wrapped them around Chuck's strong back, feeling his muscles tense as he pummeled her cunt with his gushing cock. Kathy clawed his back muscles as the big business executive emptied his cock into her churned pussy. His cock exploded over and over. Kathy was boiling inside, her cunt distended as it was violated by Chuck's mammoth cock.

A final surge of hot cum shot into Kathy's undulating pussy and splashed against her inner fuck walls. Then Chuck's mighty cock was still. He had emptied it inside Kathy's surging fuckhole. She was filled with cum. It leaked from her pussy, onto the desk top.

Chuck collapsed on top of her. They were linked by his massive cock, which stayed implanted inside Kathy's cunt. Her cunt spasmed uncontrollably. Her pussy warmed his spent cock meat. Finally, they began to relax, their pulses lowered and their breathing evened out. It was quite a fuck session. Neither spoke until they both had caught their breaths, and come back to reality.

Kathy grinned lewdly up at him.

"One more hole, fella, and it's the tightest one of all."

Chapter Nine

"Boy, this is fun!" Chuck said.

"You're a fine specimen of manhood," Kathy murmured, bending over the edge of the desk and spreading her asscheeks apart to give Chuck a good look at her asshole. The luscious half-moons of her ass were round and firm. Chuck stared between her asscheeks, into her humid asscrack. Kathy's cunt glistened with the moisture of their hot fucking. Chuck's oozing cum and Kathy's shiny pussy juice seeped from her cunt. The turgid red lips of Kathy's steaming fuckhole slid open for the big man to look at, but he was more interested in the sexy secretary's asshole. Her tiny, asterisk-shaped shithole was much smaller than her pussy. Chuck was not sure if his cock would fit, but he would be glad to try.

"I want my ass filled," Kathy said, wiggling a finger up to her crinkled shit ring. "This is the last hole, and it's all for you!"

Chuck stared excitedly at her puckered asshole. He rubbed his half-limber cock, trying to get it hard again. It had had quite a workout with the horny temporary secretary already. As Chuck eyed Kathy's shit ring, he could feel himself getting turned on again. Kathy's shithole spasmed and shut as she pressed her index finger up against her crinkled asshole.

"Are you sure you're big enough?" Chuck asked.

"Looks are deceiving," Kathy cooed, gyrating her finger against her ass opening.

Her wrinkled shithole convulsed open as she pressed the wiggly digit into it.

Then her asshole spasmed around the finger which invaded it, causing Kathy to writhe on the desk, her ass aimed at Chuck. The horny business executive watched everything the gorgeous blonde did to herself. Kathy inserted the tip of her index finger deeper into her tight asshole. She wiggled the finger as she impaled herself in the ass. Every time she drove her finger deeper, she sighed heavily and jerked on the desk.

There was now no doubt in Chuck's mind that his growing cock could probably fit inside Kathy's tiny shitter. He rubbed his prick more vigorously, getting it harder and harder.

Kathy looked around and saw Chuck playing with himself.

"Let me do that," she said. "If you're gonna fuck me in the ass, the least I can do is suck you till you're ready."

Kathy withdrew her finger from her hot asshole. She turned around on the desk and indicated with a swoop of her hand that Chuck should sit on the edge so she could suck on his big cock.

Chuck placed his ass on the edge of the desk. His half-erect cock flopped around, needing some encouragement.

"I just love your big cock," Kathy said, falling to her knees before the big man. She smiled sexily up at him as she examined his prick. "I could eat this any day."

She inserted Chuck's banana-shaped cock into her mouth. She slid her face down over the bloating prick, slurping it deep. Kathy deep-throated Chuck's angular cock in a series of quick fuck strokes that left the hot man in a daze. She slurped it out of her mouth, rubbing her moist lips along the taut cockshaft. She licked the entire length. She held the hardened cock in one hand and gazed at it

lovingly. It throbbed with power. Blue veins shimmered in the office light.

Kathy stabbed the cock into her mouth, shoving it clear down her tight, wet throat. She pushed her mouth onto Chuck's cock, swallowing his prick completely. Kathy sank Chuck's cock hilt-deep. Her mouth touched his cock hairs at the base of his big cock. Kathy rubbed her nose in Chuck's cock hairs, tickling him. Kathy loved eating his cock. She moved her face around on the executive's prick. Chuck's cock rubbed against the rubber slick inner walls of Kathy's throat. Chuck groaned with lust, feeling his cock swallowed whole.

Kathy tugged on Chuck's long cock with her throat muscles. The muscles in her neck tightened around the huge prick. Then she withdrew his cock slowly, allowing it to rub against her wet throat walls. Chuck's sensitive cock throbbed with power. His cockshaft pulsed as it pressed against every square inch of Kathy's throat. His cock expanded even more. It was completely hard.

As she sucked him, Kathy played with Chuck's balls. She touched his sensitive balls lightly, turning him on even more.

Kathy removed Chuck's cock slowly. She nibbled on his flexed cockshaft with her soft lips as it came out of her mouth. It had expanded tremendously. Kathy studied Chuck's prick deliriously. A few more slurps and it would be up her ass. She sucked it down her wet throat, sucking Chuck's cock like a piece of hard candy. Chuck's prick was wet all over. Kathy's dilating throat surrounded his pulsing cock as she pumped her face up and down the thick, slick prick.

Kathy sucked Chuck's cock. His inflamed cockhead was buried deep in her throat. Every square inch of his sensitive cock was being rubbed against Kathy's moist inner throat walls.

Kathy withdrew Chuck's monster cock.

"It's hot and ready, and I'm hot and ready, so fuck me in the ass!" she cried.

Kathy rose from her keeling position and turned her back to Chuck as he stood behind her. She bent over the desk top, her ass facing Chuck's taut cock. She reached back and parted her asscheeks, giving Chuck a target to aim for. Chuck stared hotly at the warm crack of the cute secretary's ass. Her tight little asshole flexed open and shut like a budding flower. It was as if her asshole was winking at him. Beneath her steaming shitter, Kathy's gaping cunt hole hung open like a cavern of pleasure. Kathy's turgid cunt lips shone in the light. Chuck's cum still dripped from Kathy's soaked fuckhole.

"Just be there, let me do it," Chuck said, unable to take his eyes from Kathy's creamy ass.

Kathy was more than glad to let him do all the work. She just lay on her stomach, on the desk top, her ass turned toward Chuck's swaying cockmeat.

He stepped up to Kathy's parted asscheeks and spread them open wide. The crinkled asshole expanded slightly as he toyed with it. He gripped the hot blonde's ass in his hands.

He eyed the hot crack of Kathy's ass, his face only a foot away. Kathy's shithole was a wrinkly dot which rhythmically flexed itself as she breathed. Chuck reached down with his right hand and probed her tight asshole. He pressed his index finger against her crinkled socket, wiggling it slightly. "Shit, what an ass, this is fantastic!" Chuck said.

He rubbed his finger against the slight resistance Kathy's asshole gave him.

"Yesss, fuck my ass! Put your cock in!" she begged, pounding her fists on the

desk out of sheer impatience.

Chuck took his index finger and lathered it around inside the wet mouth of Kathy's gaping pussy. Chuck pulled his moist finger from Kathy's cunt and stuck it against her constricting asshole. He jerked hard, jabbing the tip of his finger into the horny secretary's tiny shithole. Kathy jerked erratically on the desk top.

Chuck twisted his finger deeper into Kathy's shitter, inserting his index finger knuckle-deep.

He pistoned his finger in and out of Kathy's ass. Dressing it farther with every finger thrust.

Her ass tunnel was expanding to take the digit so Chuck knew his cock would have no trouble. He kept finger-fucking the sexy blonde's ass, wiggling his digit farther and farther up her ass. Finally, he had his finger completely up Kathy's asshole. Her moist inner shit walls tightly enveloped his long finger. He left it there for a moment, feeling her warm shit depths convulse around his wiggly finger.

Chuck pulled his finger out of Kathy's undulating asshole and knelt behind her ass, looking straight into the winking eye of her shitter. Her ass was two inches from his face.

"Ooooh, eat my ass, please!" she raved, spreading her legs a little wider apart.

Chuck licked the quivering ring of Kathy's asshole deftly, touching the crinkled shithole slightly.

Kathy screamed hysterically, wiggling her ass against the big man's face.

Chuck's slithery tongue jammed into her contracting asshole. He made his tongue stiff and jabbed it into Kathy's tiny shitter, driving the writhing blonde crazy. Her asshole expanded to receive his tongue, then contracted around it. Chuck shoved his head closer to Kathy's open ass. Kathy jerked convulsively on the desk, hissing and groaning deliriously. Chuck rammed his tongue in and out of the sexy blonde's asshole, fucking her ass with his tongue. Kathy writhed, trying to keep her ass wedged against Chuck's mouth. Chuck reamed her tight ass, rubbing his tongue flesh against her flexing ass walls.

Chuck's hot, snaky tongue wiggled inside Kathy's ass. Her little asshole dilated around his probing tongue. He plunged it deeper and deeper until he had it as far as it would go. Kathy's ass gripped his tongue tightly and she jerked forward. Chuck jerked with her, afraid that his tongue would be torn from his mouth. Her ass had quite a grip.

Kathy moaned with pleasure, feeling Chuck's tongue slither against her shit walls.

Kathy's ass tubing was very wet now. Chuck kept jamming his tongue up her shitter. He gyrated it around in the hot woman's shithole. Kathy screamed and writhed with lust. The slick walls of her shitter gripped Chuck's rampaging tongue tightly. He kept probing her tiny asshole, himself crazed with fuck lust.

He pulled his tongue from her asshole. His cock was iron-hard as it swayed between his legs. Chuck moved close to Kathy's parted asscheeks and began to rub his cock up and down her asscrack. His cock moved along the valley between her ass flanks where her moist pussy and wet little asshole contracted with the anticipation of being fucked.

"Fuck my ass, now!" Kathy panted.

Chuck pressed his hard cockhead against Kathy's tight asshole and she

shrieked with delight. He shoved harder, stretching her shithole slightly. Chuck wiggled his hips, forcing his cock farther into her ass.

"God, yesss! Fuck my shitter!" she cried.

A hot flood of pleasure rippled through Kathy's tensed body. She wanted her ass plundered.

Chuck bolted hard, shoving his thick cock into the tiny shithole. H&[shitter gripped his cock tightly. Her asshole expanded to admit the cock, then flexed hard around the invading prick. His cock was in her ass.

Kathy's shitter clenched tightly around Chuck's cock. The walls of Kathy's shitter surrounded Chuck's thick prick. As he burrowed his cock deeper, Kathy's shit guts expanded to accommodate his cock. Her shit walls were distended. Kathy screamed with pleasure.

Chuck hunched over her ass, burying his cock in Kathy's shitter. He could feel her ass guts contract.

Chuck stuffed his throbbing fuck meat deeper into Kathy's dilating shitter. The hot blonde tensed her ass and screamed as Chuck drove his cock farther into her undulating shitter. He was not quite halfway into the writhing woman's ass, but already she was going crazy with fuck lust.

She reared back to meet his rampaging cock. Chuck shot his cock deeper into her ass. Kathy's asshole was the most incredible tightness he'd ever encountered. He found himself going berserk with lust. He pumped faster and faster, wedging his inflamed cock farther into the horny secretary's dilating shitter. Kathy's shit depths engulfed Chuck's taut cock. He lashed himself in and out of her asshole.

She pushed herself back onto Chuck's furious fuck rod. It drilled deep into her shuddering ass. Kathy's shit chute encircled the executive's pulsing prick, driving him wild with passion.

"Ooooh! What an asshole! Yesss!" Chuck moaned, swirling his cock around inside Kathy's churning ass.

He pistoned his hips in and out of her tight asscheeks, blasting his flexed cock into her tight shitter. He was battering the hot blonde's ass and she loved it.

"Ohhh, my shitter's on fire! Yessss, fuck my butt!" Kathy cooed.

Chuck fucked Kathy's ass harder, knocking her forward on the desk. The tight ring of Kathy's asshole expanded all the way. It was red from being torn open. Chuck's huge cock ground into her shitter. His prick was almost buried hilt-deep. Kathy wanted more.

"Give me all your cock! Fuck my butt all the way!" she begged.

Chuck withdrew his cock and then jabbed it quickly back in, driving it hilt-deep into Kathy's undulating shitter. The sexy woman went crazy, her ass filled with Chuck's mammoth prick.

Chuck's cock was all the way up her ass. Her asshole gripped his monster cock tightly as the sexy man reamed her good. Chuck pounded his cock into Kathy's ass. His balls thumped her ass every time he drove himself forward.

Kathy groaned uncontrollably. She took Chuck's furious cock all the way into

her shit-ter. Her tiny shithole was completely stuffed with cock. She was jolted forward on the desk top every time Chuck fucked his inflated cock into her ass. Chuck swirled his thick cock around inside Kathy's tight ass. Her shitter was stretched out of shape. Every stroke wedged his cock deeper, causing Kathy to cry out hysterically.

"Ohhh, fuck me! Yessss!" she shrieked.

Chuck burrowed his cock into her shitter. He could feel her ass guts tremble, enclosed tightly around his throbbing cock. Kathy's battered ass was completely impaled by Chuck's big cock. Her shit chute trembled. Chuck smashed his prick relentlessly into Kathy's ass. His cock savagely bludgeoned the horny secretary's shit chute. Kathy's shit canal was stuffed all the way with hot cock meat.

Kathy moaned loudly on the desk top as her shitter constricted tighter and tighter around Chuck's cock. Her shitter choked the invading cock as it shot itself deep into her.

Chuck pumped himself in and out of the sexy woman's steamy ass. He looked down at his thick, pulsing cock and saw it plunge in and out mercilessly, distending Kathy's asshole as it bore into her shitter.

"Fuck my asshole! Yesss!" she cried.

Chuck pounded his cock into her wet shithole. His cock slithered in and out of her tight shit chute.

He rotated his cock inside Kathy's ass by gyrating his hips. This drove her over the brink. His cock was stirring up her shit guts.

Kathy's ass was impaled by Chuck's swirling cock. He fucked his cock in and out in a lightning-quick series of thrusts that left the gorgeous secretary breathless. When he lifted himself up, Kathy's ass went up also. She was stuffed completely. Chuck kept poking her in the ass with his prick. As he fucked, he pushed the hot woman forward with every powerful thrust.

Kathy screamed with delight. She loved the filled-up feeling of having a cock in her ass. She giggled with delight and clenched her ass muscles tightly, trying to strangle Chuck's cock as it heaved into her shithole. He was reaming her shitter good.

Kathy's undulating asshole constricted even tighter as her body began to shiver with repeated orgasms. She came over and over. Her desire was so intense and feverish that she thought she was losing her mind. The hot cock flooding her ass was wonderful.

Chuck plowed into her creamy ass, blasting his swollen cock into her churned up ass guts.

"Aaaahhh!" she groaned. "Fuck my ass more!"

Chuck pistoned in and out of her dilating ass, penetrating the deepest regions of the horny secretary's asshole. Kathy pushed backward onto Chuck's bludgeoning cock, taking all of it. She bucked back onto Chuck's burrowing prick, taking his cock in and out of her ass. She jerked every time he jabbed his cock into her tight ass. His thick cylinder of cockmeat surged up into the pretty blonde's ass. Chuck's cock bloated inside Kathy's shit chute.

Chuck was sweating now. He kept pumping his cock deep into the soft half-moons of Kathy's ass. Her ass opening barely accommodated his cock. He probed deep with every thrust. Chuck's lust was incredible. He brutally rammed himself into the horny secretary's puckered little shithole.

"Keep fucking me!" Kathy moaned, still coming.

Chuck's cock suddenly swelled inside her ass. He was going to cum.

"Ooooh, cum in me! Fill my ass!" she begged.

Chuck's iron cock shot forward mercilessly, burying itself inside Kathy's ass guts. Her tight shitter convulsed around his cock as it exploded. Hot jets of sizzling cum blasted into her sensitive shit chute. The frenzy of the surging spray of hot cum thrilled Kathy. Her ass quivered around Chuck's cock. The fiery shower of jism filled her ass. Chuck's cock lashed into her shitter. The furnace-hot blasts of cum bolted deep into the pretty secretary's dilating shithole. Kathy wiggled with every gushing spurt, and giggled with delight.

Chuck's cock slammed into her over and over. He sank his cock hilt-deep as it erupted its sizzling gushes of cum.

Kathy's clutching asshole burned as jet after jet of sizzling cum surged against her tender shit walls. The fiery spray of jism splattered her sensitive shit guts. Her ass was drowning in cum. Her whole body quivered as the lightening bolts of jism flashed deep into her bowels.

"Ohhh, fuck my ass!" she groaned.

Wad after wad of spurting cum squirted into Kathy's ass. Her asshole felt drenched. Chuck's cock was still coming. The shuddering inner walls of Kathy's shitter convulsed uncontrollably. Chuck kept driving his erupting cock into her tight asshole. The puckered ring of Kathy's ass received the darting bursts of fiery cock juice with every furious blast.

"Fuck my ass! Fuck my ass!"

Cum seeped out of her wrinkled shithole and down her thighs. Her asshole was soaked. Kathy reached back and touched her thighs where the cum leaked and got as much of the foamy cum on her hand as she could. Then she dipped her hand into her asscrack, feeling Chuck's surging cock shoot backward and forward into her asshole. She got her hand wet. Then she withdrew the hand and rubbed it on her tits and neck, lathering herself with pussy juice and cock cum. She moaned as Chuck riddled her ass with his cock. Her shit guts tingled as the geysers of cum filled her.

She licked the jism off her hand, then reached back again and felt the cum dripping from her undulating asshole. She reached down and touched Chuck's banging balls as they slapped against her. When his balls constricted, a hot spurt of wonderful cum shot into her ass. Kathy wiggled with delight.

Chuck's rampaging cock felt as if it was stuck inside a slick tube. He came over and over inside Kathy's ass. He pounded his cockmeat into her tight asshole with a vengeance. His boiling cum surged into her ass. He ripped her ass with every spurt of sizzling cream. His balls tensed and untensed with every cock explosion. Geysers of cum filled the blonde secretary's ass. Chuck violently fucked his prick into her open ass. Her shitter was so tight that he couldn't believe it.

"Ram that hot cock in! I can feel your cum! I love it, ughhhh!" Kathy moaned, shaking her head back and forth.

Chuck kept lunging into her, spending his cock inside her shivering shithole. He sighed with satisfaction as he banged himself in and out of her ass guts. Each fuck stroke ruptured Kathy's tender bowels even more, and she loved it.

Chuck's cock sloshed around inside the hot secretary's asshole. It pulsated and erupted and bubbled with searing wads of jism. Chuck drove himself deep into Kathy's shitter, firing less and less hot wads of cum. One final spurt spewed into her shit guts and she screamed loudly.

Then Chuck fell forward, his cock in her ass, and collapsed on top of her. Kathy used her shit muscles to tighten her asshole around his spent cock. Chuck sighed deeply. They panted and groaned with pleasure, Chuck's cock still planted up her surging ass. Kathy's shitter tingled around Chuck's thick cock as they lay there, linked by his cock.

Chapter Ten

There was a knock at the door. The buzzer on Chuck Carson's desk also sounded. Kathy and Chuck jerked, startled back to reality. Someone wanted in, and Chuck Carson's personal secretary in the outer office was trying to reach him.

"Who's at the door?" Kathy asked. She could feel Chuck's cum still oozing inside her ass.

"I don't know and I don't care. No one's got a key to that door except Milton Bannister, the head honcho, the dude who's family owns this building, so I'm not worried that anyone's going to walk in on us unannounced. Milton hardly ever checks up on me."

Suddenly, a key was inserted into the locked door from the other side.

"Oh, shit!"

"Uh-oh!"

The locked turned and the door opened. Milton Bannister, the president of the Bannister Corporation, walked in and stopped just inside the door. He shut it quickly, seeing the two naked bodies on Chuck's desk.

"What have we here?" Milton asked.

He was a handsome man wearing leather pants and a silk shirt. He was muscular and Kathy could see the rippled effect of his muscles beneath his shirt. He was a casual man, if nothing else, and extremely handsome.

Chuck Carson jerked himself off Kathy. His floppy cock pulled from her slippery asshole loudly. Chuck stood there, naked, before his employer, his cock swinging between his legs.

"Hi, Milt, what's doing?" Chuck said meekly.

"Is this how you stay in shape, fucking on your desk during working hours?" Milton Bannister asked.

He looked at Kathy, who still lay on her stomach on the desk, her tapered legs parted, her creamy asscheeks open wide. Her beautiful, humid asscrack was moist with cum from Chuck's cock and lubrication from her pussy. Milton stared at the hot blonde secretary's open shithole and gaping red cunt and hissed in a deep breath of air.

Kathy turned her head, shaking her long blonde hair as she did so. She smiled brightly, putting the best face forward.

"Hi there, Mr. Bannister!"

"Uh, hi there, Miss . . . uh . . ."

"Kathy. Kathy Webb. I'm the new temporary secretary," she said, scooting off the desk.

She made sure that Milton Bannister got a good long look at her pussy and shitter as she moved off the desk. It was a sight that even a stone statue, if it was male, would find hard to resist.

"I won't ask what was going on here," Milton Bannister said.

"Please don't," Chuck Carson said, looking at his feet. He placed his hands over his glistening cockmeat.

Milton continued, staring at Kathy, "I don't remember your being adept at this kind of activity being mentioned in your resume."

Kathy, full of bravado and having nothing to lose except her job, said, "I left some of the best things out."

"I'm sure you did."

"Want to see what I'm good at?" she said tartly. "Typing and dictating and sorting mail is good for business, but what about needs and desires and ways of getting rid of tension? What about feeling good and having a good time? What

about morale and boosting morale by creating a work atmosphere that makes you feel good?"

Milton Bannister raised an eyebrow. He had brown hair and handsome, chiseled features. He looked like a thoughtful, athletic man used to making snap decisions of great importance.

"Just what do you mean, Miss . . . uh . . ."

"Webb. Kathy Webb."

Kathy stood a few feet away from the sexy president of the Bannister Corporation. She placed her hands on her hips. She swiveled her hips seductively before the comely man. Her tits jutted out; her nipples were hard points, aimed directly at Milton Bannister. She was still wearing her hose and garter belt, but nothing else.

"Well, Miss Kathy Webb, what are you trying to say? Get to the point!"

"Okay," Kathy said, licking her lips. "Wanna fuck?"

Milton Bannister swallowed hard. He was taken back by this gorgeous girl's brashness. But she was sexy. And she did get to the point. Milton blinked his eyes, trying to keep looking at her pretty face and not at her sexy, naked body. His thoughts were betrayed by the tented portion of his pants at his crotch. His angular cock was growing steadily and straining against the fabric of his leather pants.

Kathy stared down at Milton Bannister's bulging cock and her eyes got wide.

"Wow, I guess you like me!" she said.

"How could I like you? I've just met you," Milton said defiantly, trying to take command of the situation because, after all, he was the boss.

"They say you never really know a person until you touch them," Kathy said, moving toward the corporate head.

"Who ever said a thing like that?" Milton asked, angry at his cock for betraying his lustful emotions. His blood was boiling. He was starting to sweat as Kathy got closer.

"I just did," the sexy blonde secretary admitted, falling to her knees in front of her new boss.

Kathy unfastened his pants and unzipped his fly. Milton felt her hand inside his pants. Kathy flopped out his throbbing cock and rubbed it between the soft, warm palms of her hands. His cock spasmed uncontrollably and Milton sighed loudly, arching his head toward the ceiling.

Kathy did not have much work to do to get this cock ready for action. It was rock-hard already and pulsing with power. She licked the underneath side of Milton's sensitive prick, nmning her tongue from the base of his cock to the tip. She could feel the pulsing blue veins along the corporate president's thick cylinder of hot cockmeat as she licked it. When she reached the bloated crown of his cock, she quickly stabbed it into her mouth, ringing her lips around Milton's firm prick.

"Ughhh, gee! I don't know if this is proper! Ohihh, shit!" Milton cried. He quickly looked over at Chuck Carson, standing naked by the desk, and threw his

subordinate the keys to the door. "Lock it quick. I don't want any interruptions."

"Yes, sir!" Chuck said, smiling brightly.

He locked the door from the inside and waited patiently for his boss to get the fucking of his life. He watched the whole thing. Chuck liked Milton Bannister, and knew the man could loosen up if just the right woman came along. And the right woman seemed to be Kathy Webb, who right now was skewering Milton's prick slowly into her throat. Kathy nibbled as she sucked Milton's cock into her mouth. She wiggled her head, which allowed every square inch of her moist throat to rub against the head honcho's cockmeat. Milton's knees felt as if they'd give away. He moaned and tensed his body. He was ready to fuck. "Let me get out of these clothes!" he said. Milton stripped off his shirt, then kicked off his shoes and shed his pants quickly. He was as naked as Chuck was. The two business men caught each other's eye and laughed. Milton saw that Chuck's cock was hard also. Evidently Chuck got turned on just watching Kathy face-fuck Milton's big cock.

"Are you woman enough for both of us?" Milton suggested, smiling down at the gorgeous blonde who had just eaten his cock.

Kathy's eyes widened and she grinned.

"Heck, yeah! Come over here!" she said. Let's have some fun!"

Kathy sat on the edge of the desk and pointed to her wet pussy.

"Mr. Carson can eat me while I get better acquainted with Mr. Bannister's cock. I think I'm addicted to it. I want to eat some more!"

"All right!" Milton said, climbing onto the desk and jabbing his cock into Kathy's

open mouth. She slurped it up ravenously, pistoning her face onto his bloated cock as it speared her mouth.

Chuck Carson knelt between Kathy's legs, facing her turgid cunt once again. He was in heaven. He began licking her moist pussy opening. Kathy spasmed with pleasure. Milton's cock slid in and out of her mouth, Chuck's tongue slid in and out of her cunt. Chuck swirled his tongue on her erect clit head, driving her crazy.

Kathy pulled Milton's big cock from her mouth and admired it for a moment. She could feel Chuck's mouth ringing her cunt, his slithery tongue pistoning in and out of her wet fuckhole. Kathy wiggled Milton's thick cock and watched it pulse with power.- The blue veins in his thick prick throbbed. It was quite a piece of fuck meat. She kissed the head of Milton's cock and then stuck it back inside her mouth. Milton's cock distended her cheeks, causing them to bulge. Every time her mouth swooped down over the cock, her cheeks swelled out. When she withdrew his cock, her cheeks collapsed.

"Eat my meat, baby! God, yesssss!" the Bannister head yelped.

He reached over and massaged the firm roundness of Kathy's luscious tit flesh. Her swollen nipples stuck out like tiny points against the palms of Milton's hands. Her tits were creamy soft and smooth.

"Touch my tits, yeah!" she yelped, jerking Milton's cock back into her mouth.

Kathy purred, burying his big cock all the way into her succulent throat. Between her legs, Chuck Carson kept eating away at her oozing pussy, mashing his mouth against her cunt mouth and gyrating his snaky tongue inside her lathered pussy.

Chuck moistened the swampy recesses of Kathy's dilating fuckhole. Her cunt walls were soft and rubbery. His tongue jerked in and out, twisting around inside the turned on blonde's cunt.

Kathy scooted down farther so that Chuck could eat her more easily. She could feel his roaming tongue dart in and out of her pussy.

Kathy happily sucked the corporate president's leaden cockmeat. She could see that he was out of control. She pumped his prick in and out of her mouth, keeping her lips ringed around the taut cock. She touched Milton's balls, jiggling them in her hands. Milton almost fell off the desk. "God, yessss! Eat me! Play with my balls!" he shrieked.

Kathy continued sucking on Milton's massive cock. She rotated it in and out of her mouth. She licked it, wetted it, and fucked it in and out of her face.

Chuck, between her tapered legs, had cunt juice all over himself. He placed his lips around the turgid pink lips of Kathy's cunt and ate her pussy as if his life depended upon it. He loved her cunt and slurped at her inner fuck juices, swallowing them and stabbing his tongue into her watery cunt for more.

"Oooh! Eat my cunt!" she yelled, licking the underneath side of Milton's glistening fuck slab.

Kathy's cunt dripped with saliva and cunt oil. Chuck fucked his tongue in and out as fast as he could, causing her to writhe on the desk. Milton's cock monster stayed inside her mouth. Her whole body shivered with lust. She spread her legs open farther.

"God, what a luscious cunt!" Chuck exclaimed.

Kathy pulled Milton's cock from her mouth.

"You hard, down there?" she said to Chuck.

"Hell, yes, eating your pussy would turn on any man!" Chuck said. His cock was rigid. It stuck out from between his legs like a piece of lead.

"Good!" Kathy said, waving Milton's prick around as if directing the two businessmen. "I want my holes stuffed, and now!"

"All right!" Chuck yelped, rising to his feet. His facial cheeks glistened with the residue of Kathy's pussy juice.

"Wonderful idea!" Milton exclaimed, feeling Kathy's strong grip on his hard cock.

Kathy had Chuck lie on his back on the desk. His rock-hard cock stuck straight into the air, waving back and forth like a flagpole caught in a strong wind. Kathy climbed onto his body, straddling his midsection, and wedged his cock between her legs, against her lathered cunt lips. Keeping her other hand around Milton's flexed fuck rod, she led him behind her and directed him to stay there for a moment.

Milton stood behind Kathy, watching her mount Chuck. His cock bobbed between his legs. It was taut. "Dammit, stick it in!" he cried, impatient with lust.

Kathy reared down onto Chuck's bloated prick and jerked uncontrollably as she drove his cock deep into her drenched fuckhole. Chuck, giddy with pleasure,

arched his pelvis into the air and drove his cock further into Kathy's wet fuckhole. Kathy drove his massive cock deep into her dilating cunt. She rode him wildly, clenching her cunt walls tightly around his throbbing cock. Chuck burrowed his cock up into her, clenching his eyes shut in ecstasy. He humped his prick up into her, impaling her buttery fuck hole over and over. Kathy's pussy was boiling. She ground her cunt down onto Chuck's cock. Her cunt surged as his mammoth prick surged up into her swampy cunt. Chuck rammed his cock into her cunt good. The juices of Kathy's slick pussy slithered out as Chuck fucked her. From behind, the president of the Bannister Corporation watched with envy. He was jealous of his business subordinate for getting to fuck the sexy blonde secretary first. From Milton's vantage point, the action was quite hot, He could see her glistening cunt oil lather around Chuck's angular cockmeat as it burrowed in and out of her tight pussy. Kathy straddled Chuck's midsection and rode his cock like it was the greatest thrill of her life. Milton watched it all, rubbing his cock, keeping it hard. The hot action was quite a turn on. Milton saw between Kathy's creamy asscheeks. He saw her winking, asterisk-shaped asshole spasm open and shut as she rode Chuck's cock with her cunt. Chuck's long cock shot up into her wet cunt and she jerked with every mighty thrust. Milton closely watched the twitching eye of Kathy's tiny shithole. He stuck an index finger into the tight little asshole. Kathy screamed loudly with glee.

"Ahhh, yesss! Ohhh, fuck my ass, Milton! Please fuck my butt!" she begged, turning around and winking at the sexy corporate president.

Milton climbed behind the writhing blonde beauty being fucked in the cunt and rubbed his hefty cock against her ass.

"Yesss, yessss! Fuck me in the ass!" Kathy pleaded.

Milton rubbed the bloated head of his mammoth cock against the tiny shit opening of Kathy's asshole. Kathy spasmed uncontrollably, thrilled at the prospect of being fucked in the ass.

Milton jerked forward in a powerful thrust that mercilessly blasted his flexed

prick right through the tight puckered ring of Kathy's ass and into her asshole. Milton fucked her smoothly, driving his cock deep into her bowels.

Kathy shrieked, out of her mind with pleasure. She had two cocks in her. She jerked convulsively, screaming deliriously as she rode two big cocks in the grandest double fuck on record. She could feel the thick head of Milton's cock stretch the rubbery inner walls of her shitter.

Milton groaned, driving his prick forward into her open ass flanks. His cock brutally ruptured Kathy's shithole. The tight walls of her asscrack were distended to capacity. His throbbing cock jerked in and out of the hot secretary's asshole, causing her to scream with fuck-crazed happiness.

"My ass, my pussy! So filled up! Ohhhh!"

Kathy raved, feeling two hot cocks in her crotch.

Her ass and her cunt were on fire. She bucked up and down and back and forth, hysterical with passion, "Tight little ass, yeah!" Milton chortled, fucking her in the ass.

"Love this pussy!" Chuck shouted, beneath Kathy's flailing body. He jerked upward, driving his hot cock into her wet pussy.

Kathy was now addicted to the filled-up sensation which she was experiencing. Two cocks at once. She loved it.

Both businessmen humped in and out of Kathy's dilating fuckholes. They drilled her buttery fuck depths, stirring their massive cylinders of cockmeat around inside her fuckholes. They pounded their hot cocks into her in unison,

distending her cunt and her shit-ter. Kathy was over the brink. She had never felt so violated in her life, and she loved it.

"Ooooooh, my holes! Fuck my holes! Ahhhhhh!,, she moaned, grinding her foamy crotch onto the two stiff cocks violating her ass and pussy. The gigantic pricks lashed into her, driving deep.

Milton shrieked, pounding his hips forward, slapping his cock into Kathy's ass. His cock buried deep into her trembling shit guts.

The sex-crazed businessmen fucked her tight openings frantically, ravaging the sexy secretary's wet crotch. Kathy felt her burning holes get rubbed raw with hot cock. The two men buried their pricks deep into her with every furious thrust. Kathy was so hot that she couldn't control herself. She shuddered with pleasure. Her ass and pussy quivered. They were violating her savagely and she loved it. Kathy's dilating asshole and cunt shuddered, and she shrieked with pleasure as both men came at once, flooding her cunt and asshole. An incredibly strong orgasm swept through her body. Cum was filling her completely.

"Agggghhh! God, yesssss!" she groaned, her whole body tense.

"Yesssss!" Milton cried.

"Ahhbhh!" Chuck wailed.

Their two hot cocks exploded simultaneously. Kathy's crotch openings were flooded with hot jism which blasted deep into her. Kathy was mad with lust. Both of her fuckholes convulsed around the thick cocks surging into her. Thick gooey gobs of moist cum drenched her shitter and pussy. She felt the sizzling hot wads dart deep into her undulating holes.

The two hot cocks fucked in and out of Kathy's crotch. Every time the mammoth pricks spewed sizzling jism, they expanded like roaring cannons, jetting furnace-hot blasts of cum into her. Kathy's helpless fuck openings were stretched beyond capacity. The rampaging cocks flared repeatedly. Wave after wave of scalding fuck juice flashed into her cunt and ass.

She drove herself down ruthlessly onto the cocks invading her. She received the furious, relentless blasts of white-hot jism which soaked her boiling pussy and shithole happily. She screamed and writhed on the throbbing cock spurting lava-like cum into her fuckholes. The jetting cum splashed the inner walls of her pussy and asshole. Explosion after explosion of fiery jism burst into Kathy's aching cunt and ass. The rocketing wads of cum flooded her fuck guts. Her fuck openings spasmed. Both cocks twitched, gushing hot, thick cum into Kathy's pussy and asshole.

As Milton Bannister, president of the Bannister Corporation, fucked her in the ass, he whispered into Kathy Webb's ears, "Welcome to the company!"
